

VETERANS TO ASK CITY FOR GRANT

Want \$10,000 for the Gathering of V.C. Heroes in Toronto.

A grant of \$10,000 to help defray the cost of the first Canadian assembly of V.C.'s in Toronto on August 25 of this morning, when a representative of each of the veterans' organizations in the city will wait upon that body.

This was decided upon at a meeting of all the ex-service bodies last night, when the organization of the Veterans' Union Council was enthusiastically approved. The council was organized at a meeting on Sunday, but three of the veterans' bodies, the G.A.U.V., the Army and Navy Veterans in Canada, and the Nursing Sisters, were not represented. All three had representatives at last night's meeting, and the idea of an annual commemorative gathering and re-union of ex-service men, and promised their hearty support.

Absolute unity prevailed during the meeting, only one discordant note being sounded. This was when one of the comrades made the unfortunate suggestion that the \$20,000 collected on a tag day some years ago, and now held by the city treasurer, be used. Instant exception was taken to the suggestion, and harmony was once more restored when General Williams, who presided, and Comrade Conroy, pointed out that the courts have already issued an injunction against the use of this money, on application of the Originals' Club.

On the question of meeting the cost of assembling the V.C.'s or their next of kin, it was felt that the Dominion government was the logical body to bear the expense, which could be cut down to a minimum if the cabinet ministers were to loan two of their private cars for the purpose of gathering up the wearers of the "ten penny worth of bronze" and carry them to Toronto, one to start from the east and the other from the west, arriving here about the same time.

Will Interview Ottawa. Ottawa so far has shown no inordinate desire to co-operate, and pending more definite information, it was decided to send a deputation to the board of control today, and for financial assistance. The provincial government and the Exhibition will also be approached.

The men are determined to follow the precedent recently set by the King and have the V.C. wearers at their first rally, where they may do homage to them in a body.

A parade and march past led by nursing sisters, amputation cases and V.C.'s was decided upon. The details were left to a sub-committee, but it is expected that the place of assembly will be Trinity College grounds, and the hour 1 p.m. Wherever possible the men are asked to wear uniforms.

New Office Opened. The office of the new association will be at military headquarters, 149 College street, and all communications should be addressed to Mr. W. G. Lane, secretary.

The following were added to the reunion council, which is now complete: G.A.U.V.—Major Morrison, Comrades Mills and Ellis. Army and Navy Veterans in Canada—Col. McCausland and Comrades Forrester and Daniels. Nursing Sisters—Matron Goodwin, Nursing Sisters Richardson and Beer. Air Service—Col. Barker, Col. Bishop.

The following sub-committees were appointed to look after the details of the initial rally:

Victoria Cross Heroes—Col. Barker, V.C. Col. McCausland, Matron Goodwin, Comrades Conroy and Ellis. Bands—Comrades Forrester, Mills, Ginn, Proctor and Mulveney.

Entertainment—Comrades Marshall, Canale, Daniel, Clayton, Conroy, Orr and Brown.

Parade and opening ceremonies—Comrades Allen, Widgery, Patterson, Morrison and Ryan.

Finance—General Williams, Capt. Forrester, city treasurer and Secretary Daniels.

Patrol Sergt. Charlie Greenwood of the transportation department of the police department was promoted to the rank of sergeant by the board of police commissioners at their meeting yesterday afternoon. Policeman Matthews, who has charge of prisoners in the police court, was promoted to the rank of patrol sergeant.

A deputation of citizens and Controller Maguire and Aid. Risk appeared before the board protesting against a license being granted for a motor car rally at Nos. 2 and 4 Lancaster avenue. Two men are at present running a garage there and they have asked to be allowed to turn it into a livery. The commissioners decided to hold the request in abeyance.

"FINISHED" DELIVERY. "I never smoked when I was your age," said father. "Will you be able to tell that to your son when you grow up?" "Not with such a straight face as you do, father," replied Willie.

At Dances. It is a fact that at afternoon and evening dances one seldom sees a woman who has not found Delatone indispensable. Whatever the occasion, the thin waistline cut gowns of today have made Delatone a household necessity.

DEL-A-TONE. A scientific preparation made by beauty experts for the purpose of safely removing dirt from the face, neck or under-arms. Beauty specialists use Delatone because it leaves the skin clear, firm and perfectly smooth. Delatone is easiest to apply—simple directions with every jar. At Any Druggist's.

POLITICAL CONVENTION CALLED BY VETERANS

That the G.A.U.V. would hold a Dominion political convention, probably in Toronto, immediately word was received that the federal elections were impending, was the announcement made yesterday by J. Harry Flynn, Dominion organizer.

"As you are aware," said Mr. Flynn, we have drawn up a tentative political policy, which has been submitted to our various branches. When word comes of an approaching federal election, each branch from coast to coast will send one representative to a political convention with instructions from the branches they represent for voting on the policy drawn up.

"The policy, revised or as it stands, will then be ratified and will be presented to the Farmer party and the Labor party, to the Conservatives and to the Liberals, not to be endorsed only, but to be actually included in a party platform. The G.A.U.V. will throw its entire weight behind the party which accepts our policy under those conditions."

Including the ten thousand members organized by Mr. Flynn while in the west, and the dues of an additional eight thousand members that have been received at headquarters since that time, the total membership of the association in Canada is now about 45,000.

Q. W. V. A. TAG DAY.

Representatives from every branch and women's auxiliary of the Q. W. V. A. in Toronto and York district were present at a meeting held on Monday night to arrange for a tag day on August 30. The principal branches, Central, Riverside, Parkdale, West Toronto and Earls Court, will not benefit by the tag day, as the proceeds are to be devoted to the smaller branches in the district.

STRICKEN WITH HEART FAILURE

Stricken with heart failure last night while at work in Robertson's drug store, Bloor and Ossington avenue, Arthur Cornish, aged 25, of 124 Brunswick avenue, collapsed and died. Cornish was employed at the store as a clerk. He was attended by Dr. Norman, 745 Ossington avenue, who pronounced death from heart trouble. Chief Coroner A. J. Johnson was notified and it is not likely an inquest will be held.

CANOE CAPSIZES.

Life Guard W. F. McCallah, of the Humber Life-saving Station, rescued two youths, Lewis Malice, 17 Elm Grove avenue, and Mark Hanna, 581 Wright avenue, when their canoe capsized yesterday afternoon. The canoe was about a half mile out in the lake off the mouth of the Humber River. Malice was taken from the water in a semi-conscious condition his head having struck the canoe when the craft overturned.

SOLICITOR MUST SEVER CONNECTION

R. T. Harding Asked to Cease Acting for Lumber Companies.

Condemnation of the Drury government in connection with its action in regard to the application of the R. W. Backus interests for a grant of 24,000 square miles of pulp lands has been rife in certain quarters lately. It appears that Peter Heenan, member for Kenora, introduced El W. Backus to the premier, stating that the Minneapolis millionaire (Backus) intended putting up a pulp and paper mill at Kenora if the deal went thru. It is contended that the premier should never have considered the matter at all, and should have refused to discuss it with Backus.

It also appears that R. T. Harding, government counsel in the crown lands timber inquiry held recently, was also at the same time acting as solicitor for the Backus interests.

Premier's Statement. In this connection Premier Drury issued a statement last night as follows:

"Some time ago complaint was made on behalf of the Canadian daily newspapers that the Fort Frances Pulp and Paper Company was refusing to supply newspaper for use in this country, and the government was asked by the press to use its good offices to induce the company to supply Canadian newspapers. The press was represented at the conferences with Mr. Backus which subsequently took place. No assurance was given by the government that any additional concessions would be given to Mr. Backus. Mr. Peter Heenan, member for Kenora, who was present, did not represent either Mr. Backus or himself, but represented the town of Kenora."

"As soon as it was brought to the attention of the government that R. T. Harding was representing the Backus interests, he was asked to sever his connection immediately with that firm, and all other lumber companies."

ONTARIO FARMERS BUSILY HARVESTING

Fall Wheat Gathering Will Overlap Haying in Many Quarters.

The following is a portion of a summary of the weekly reports made by the agricultural representatives to the Ontario Department of Agriculture:

Fall wheat cutting began last week in the southwestern counties, and by the end of the present week harvesting will be general over a large portion of the province. Elgin and Norfolk report serious injury to the crop from Hessian fly in the western parts of those counties. Late sown wheat did best in this connection.

The harvesting of fall wheat will overlap haying in many quarters, as the showery weather of the last two or three weeks interfered considerably with the cutting, curing and storing of clover and other hay crops.

Barley and oats are referred to as looking most promising, both for straw and grain. Spring wheat is described as doing only fairly.

Hay is roughly estimated as giving at least a three-fourths yield. Corn is now growing rapidly, and good returns are expected.

Potatoes are referred to by several representatives as promising generous yields, and, where hoed, all root crops are in more or less good condition.

Buckwheat is also looking well, and more of it is being grown.

Cattle are in good general condition, and are selling at from 9 to 15 cents a pound. Veal calves are bringing from 13 to 18 cents a pound. Manitoba says that up to \$30 is being paid for two-year-old cattle.

Milk production has been well sustained owing to the excellent condition of the grass.

Bacon hogs are being marketed at from \$13 to \$20 a cwt., but do not appear to be in such numbers as in recent years.

The demand for farm labor is increasing now that grain cutting has joined with the belated harvesting of hay.
