**STOCK'S EXTRA
MACHINE OIL**

Is now being used in all the largest Manufactories in the Dominion, with general satisfaction. Its being a pure oil, free from offensive smell, and never congealing in cold weather, we guarantee our EXTRA OIL to give satisfaction, or have it returned at our expense. Parties ordering should state what kind of machinery they wish to use it on, as we adapt it for different kinds of machinery.

MESSRS. STOCK & WEBSTER, TORONTO.

September 22, 1873.

GENTS.—We have been using your Extra Machine Oil in our Mills for the past three years, and prefer it to any oil we ever used.

Yours, &c.,

GOODERHAM & WORTS.

MESSRS. STOCK & WEBSTER, TORONTO.

GUELPH, 19 Sept., 1873.

GENTLEMEN.—We have been using your Extra Oil in our Spring Factory, which gives the best of satisfaction, and believe it to be the best lubricating oil in use.

Yours truly,

J. B. ARMSTRONG & CO.

THE NOXON MANUFACTURING CO., INGERSOLL.

MESSRS. STOCK & WEBSTER.

We have thoroughly tested your Oil with Olive Oil on our loose pulleys, and give your oil a decided preference. We have used it on our Wood Planers and other Wood-working and Iron Machinery, as well as on our Engine, and consider it the best oil we know of. You will please send us another barrel at your earliest convenience.

Yours truly,

JAMES NOXON, *President*.

JOSEPH HALL AGRICULTURAL & MACHINE WORKS, OSHAWA.
MESSRS. STOCK & WEBSTER, TORONTO.

GENTS.—We have tested your Oil on our large Iron Planer and other machinery, and consider it the best oil now in the market; it has taken the place of Olive with us, and we prefer it, even at the same price.

F. W. GLEN, *President*.

As Foreman of the above works, I beg to say I would rather have STOCK'S EXTRA OIL than Lard, Olive or any other oil I have ever used.

A. HENDERSON.
