 FORM OF BEQUEST.

I give to the Montreal Society of Decorative Art, incorporated under Act of Provincial Parliament, October, 1879, the sum of _____dollars, to be paid to the Treasurer for the purposes of said Corporation.

 RULES FOR ENTRANCE OF WORK.

Colors, carving, and line decoration applied in an artistic manner to furniture, to articles of household use, or to those of personal luxury, lace work, and needlework, as developed by the English School, come under the head of Art-work.

It is impossible to enumerate the articles to which the various methods of Art Decoration may be applied, as each individual may develop new applications. The Society, however, cannot too thoroughly impress upon contributors, that, if they wish for prompt and ready sales, they must expend their efforts upon articles which are saleable as well as artistic.

Any Art work of ordinary merit, excepting wax work and feather flowers, may be exhibited and sold in the rooms of the Society of Decorative Art, yet such exhibition or sale may not be construed as a mark of the Society's entire approval.
