Duncan C. Scott,

519284

Deputy Superintendent General
of Indian Affairs,

Ottawa, Ont.

Dear Sir:

We beg to solicit the enclosed advertisement for insertion in the Collingwood Bulletin and Saturday News. In support of our request we may say that Collingwood is closely associated with the French River District through business relations. Lumbermen reside and do business here and we believe your department would derive value from this advertisement were it inserted in our papers.

Yours truly,

BULLETIN PRINTING CO.,

Per.....
William Williams
