combined with some short covering and the big support that appeared in U.S. Steel and General Motors for a time accounts for the market looking like a tremendous battle for a time. But, in the end, selling was too severe and stocks finally gave way. The important news on the stock market still lies in the south, and there will be nothing sure until its seen how the loss of money in that section of the country affects general industry. ST. DAVID'S W. M. S.

The monthly meeting of the St. David's Women's Missionary Society was held in the school room yesterday afternoon with a large attendance. The president, Mrs. T. H. Sommerville, was in the chair. The devotional exercises were led by Mrs. W. J. Bingham, assisted by Miss E. Willet. An excellent address, illustrated by maps, was given by Mrs. A. Turner on Maritimé Presbyterial and Boundaries. Keen regret was expressed at the deaths of Mrs. George Younger and Mrs. William Stirling. The Sunshine bags were opened and a good sum was realized.

Is Chosen on First Ballot From Among 15

Candidates Very Rev. Dean L. Ralph Sherman, former curate of Trinity church, Saint John, had accepted the high position of Anglican Bishop of the Diocese of Calgary, according to a despatch received from Calgary.

ceived from Calgary.

Dean Sherman was selected from among 14 candidates and was elected on the first ballot at the synod meeting yesterday in Calgary. The election took place in the Pro-Catholic Church of the Redeemer, 40 out of 44 clergy and 102 lay delegates out of 165 being present.

Notification is now being sent to the Metropolitan of Rupert's Land, Archbishop Matheson, acquainting him with the election and asking for the consent of His Grace and of all the bishops in the ecclesiastical provinces of Rupert's Land.

According to an old canon, three months must elapse between the election and consecration. This length time is stated owing to the fact that in olden days when an election took place it took considerable time for letters to reach such places as the Yukon or Athabasca. It is probable, however, that this canon will be altered. The consecration of Dean Sherman will take place in Calgary when the period referred to has elapsed.
