

# SPRINGHILL DETERMINED TO DEFEAT WATERMEN TOMORROW

## NOVA SCOTIANS ARE DUE HERE THIS EVENING

### "Goose" Goslin Stars As Senators Clinch Their Second Pennant

#### Entertainment Will Be Arranged For Visiting Team

SPRINGHILL Miners, champions of Nova Scotia, are due here this evening at 10 o'clock and advance reports from the mining centre are to the effect they are coming fully determined to win against the Saint John Watermen here tomorrow on the East End grounds at 3 o'clock, and thereby force the Maritime semi-finals into a third and deciding game at Moncton next Wednesday. A large band of rosters is accompanying the Nova Scotia champions. W. E. Stirling, vice-president of the M. P. B., announced this morning that Robert Atcheson would handle the game, which is expected to be attended by the greatest crowd of the year. In case the weather is not favorable the game probably will be played Monday afternoon here.

The game is expected to be bitterly fought as both teams are very evenly matched. Lloyd Stirling will be on the mound for the locals with Hannah and Gorman in reserve, while it is probable "Lefty" Albion will start for the visitors with Hatherly as second choice. Sparks will catch for the locals and "Jimmy" O'Rourke for the visitors. Arrangements for entertaining the visiting team are being completed today. Manager Snodgrass said. This will probably take the form of a banquet and dance.

Although Springhill is rated as a hard-hitting crew, the team batting mark in the championship with Westville was a little above the 200 mark. Here are the figures for that series:

| Bat.                  | Pld. | B.  | Dunbar, Westville     | 428 | 392 |
|-----------------------|------|-----|-----------------------|-----|-----|

**HANNAH'S GREAT WORK.**  
A close analysis of the detailed score of the game reveals the remarkable fact that only one earned run was made off Ira Hannah's delivery. Gallagher scored in the first inning for the Springhill boys, but he got on previous through a bad muff of his fly to the outfield. The tone seemed to come in the fifth when O'Rourke, the hard-hitting Springhill captain, counted the ball for two bases on the first up. Albion struck out and Lormier's single sent O'Rourke to third, from where he

By JOHN J. DUNLOP.

WHO WILL BE the star of the 1925 world series? Usually, it has been a player little heard of during the stress and drive of the summer campaign, sometimes a substitute who rises at the critical moment of the entire series and swings the tide of victory one way or the other. Once in a while it is a star at the game but more often it is a player who is little more than a name to the rank and file of the fans. Last year, Walter Johnson, the idol of America, floundered badly in two games while an unknown boy by the name of McNeley delivered the rap that won the series. In the series to date for the Maritime championship, the palm as the outstanding player must go to "Johnny" Corrigan, third sacker for the Watermen. The other boys are playing fine ball but to date Corrigan's batting has verged on the extraordinary. In the eight games played by the locals for the Maritime title, Corrigan has hit safely in every game. Out of 84 times at bat, he has secured 23 hits for the exceptionally fine mark of .274. Next to him is Charlie Gorman with a mark of .392. Corrigan bids fair to carry off the individual honors for the entire series. The timely batting of Hannah and Sparks has been another big feature of the locals' play.

**THE PIRATES** have lost but five games this season to southpaws. That may or may not let "Dutch" Reuther and Zachary of the Washingtons out of it. They murder fast pitching. That might let Walter Johnson out of it.

**WHAT'S WRONG** with the boys going to Grade 9 and 10 at High School in not turning out in larger numbers at Rugby practice this year? We hear that a scant 20 or 30 are carrying on the good work now where in former years 100 to 150 was no exception. For the numbers it can draw from, Saint John High School should mop up the ground with either Fredericton or Rothesay but annually these smaller schools soundly trounce the locals. The locals have a good ground on which to practice and there can be no excuse on this account. If the boys of Grade 9 and 10 are not going to turn out to help the school, it will be only a question of time before it will be impossible for the High to put a team in the field, for future depend on the material in these grades. "Buck up, you boys, and take a little time off from parading the streets after school and get some healthy exercise in this manly game."

**THE MORNING CHRONICLE**, Halifax, speaking of "Bob" Atcheson's work in the big game last Saturday at Truro between Westville and Springhill says: "Atcheson handled the deciding game Saturday at Truro and showed lots of class." Doff your hat, Bob.

**WORK HARD** and eat little if you want to live to be a hundred" is the advice handed out by Jonathan Pouke, 108-year-old Los Angeles sprinter only time I ever was fielded plumb was once when we had fried corn. Work hard and eat little—that's the secret of living a long time," he explained.

Referring to this, the Halifax Chronicle's Springhill correspondent says: "Alfie Lefty" Albion was not in his usual good form, and was nicked for timely hits in the pinches, but it was the left-handed thinking of the locals collected just fourteen safe hits in nine innings, a tidy total in any game, but they scored just three runs, the result of poor base running and poorer baseball. In the pinches, where the miners usually start, they were "not out" today, while the Saint Johners' breezed along merrily, taking advantage of everything, producing nice safe hits and netting the hit in the pinches. "Four runs in the second inning, resulting off two safe hits, three passes and one error, a costly wild throw, gave the visitors the winning margin. Springhill tried many times to overcome that margin, and had enough chances to even pass the mark at which they were shooting, but threw away every chance.

"Hannah, pitching for Saint John, was bumped hard in all eight innings, but he received smart support from his mates in the pinches, and pulled out of several bad today on their own grounds, the locals have not given up hope of capturing the Maritime title. The second game, which is scheduled for Saturday at Saint John, should be a much better exhibition of ball than today's poor display, and the locals, providing they are in form, have an even chance to win."

**FRANKIE MINERS.** Speaking of the game on his return home yesterday, Manager Snodgrass declared that Hannah's pitching and Corrigan's hitting verged on the sensational. "Saint John fans," he said, "can bank on seeing a real team here tomorrow, the hardest bunch we have faced yet, but I am confident we will win. Their captain, O'Rourke, and a few others are natural hitters. They swing hard and they hit them far and in addition they are a fast-fielding crew. We will have to step real lively to beat them, but playing on our home grounds should help us. Springhill is coming here determined to win and I look for championship baseball, provided the weather man gives us an even break. There is one other matter that impressed at Springhill more than winning that game and that was the reception tendered us by Springhill. We have never been received better in any place. I can't make this too strong. They treated us very fair and very square."

**CHATHAM, Sept. 24**—Three events were held today, the second and final day of the horse racing in connection with the Chatham fair. Dr. Gano won the free-for-all in three straight heats. In this race John Hedgewood went lame in the first heat and was withdrawn. The named race was won in straight heats, O'Leary Boy being the winner. It took four heats to decide the 2,300 trot. Joe Niles captured the event after dropping the third heat to Tim Murphy. S. D. Heckbert, of Chatham, was starter. The summary:

#### LEAGUE LEADERS CLASH SATURDAY AT SUNDERLAND

#### Much Interest Centres On Tottenham-Sunderland Meeting

Canadian Press-Cable.

LONDON, Sept. 25.—The feature of English League football on Saturday will be the clash between the two league leaders, Tottenham Hotspur and Sunderland, in a contest that is scheduled for the ground of the latter-named team. The game will take on the character of a battle between the North and the South, and will go a long way toward deciding whether Sunderland, which until Monday had pursued a conquering career, will continue to be the "wonder team" of the league. Dazzling success had greeted every appearance of Sunderland until four days ago they ran into a bad trimming at the hands of Blackburn Rovers.

As it to stimulate the rivalry between North and South, it is noted that on the same day that the "Spurs" travel towards the Cheviots, the most northerly club of the league, Newcastle United, play their first call on the London teams. On Saturday the Northumbrians take the field at Upton Park against West Ham. The game will be scarcely less interesting than that at Sunderland. Until a week ago the Hamsters gave great promise of accompanying their fellow-metropolitans a long way, but at Leeds they stumbled badly and came out at the short end of a 2-2 encounter. As if this were not sufficient humiliation they moved over to Highbury last Monday, and once more had a defeat at the hands of the Arsenal. Following a series of four draws and a draw, these two reverses were disappointing to their fans, who are somewhat apprehensive for the day after tomorrow.

**WEAKNESS IN DEFENCE.** Newcastle United have not hitherto been impressive, and they betray a weakness in defence that may prove fatal to them. Their two trimmings have been inflicted by teams of inferior calibre, Blackburn Rovers who made it a 7 to 1 carnival two weeks ago on Wednesday, and Leeds United, who whitewashed them 2 to 0 on Monday. Additional to that, the two wins enjoyed by the Tynesiders were obtained over Notts County and Leicester City, neither of which have shown any good form so far. The odds in favor of West Ham in this encounter are therefore very high.

Other scheduled games are: Leeds United at Arsenal, Notts County at Birmingham, Villa, West Bromwich at Huddersfield, Bolton at Leicester, Everton at Liverpool, and Burnley at Manchester (the United).

#### "Babe" Ruth Gets 21st Homer With the Bases Loaded

NEW YORK, Sept. 25.—The American League pennant flew unchanged today, for the second consecutive season. Clarke Griffith's Senators made certain of meeting the Pirates in the world's series by sweeping both ends of a double-header against Cleveland yesterday, 4 to 3 and 6 to 2, while the Mackmen were succumbing to the Browns, in an 11-inning contest, 6 to 4. Nine games ahead, Washington can lose all its remaining games, and still take the flag. To "Goose" Goslin, slugging outfielder of the champions, goes a generous share of the glory for sewing up the titles after hitting a homer in the first game, he drove home the winning run in the second. Alex. Ferguson easily subdued the Indians in the second encounter.
