ANTS TO SEE  
BIG MAN AT  
HEAD OF C. N. R.

President of C. P. R. Says  
Says Both Lines Have  
Great Problems in Com-  
mon.

Victoria, B. C., Sept. 26—While  
the Canadian National Railway system is  
in close competition with the C. P. R.,  
both lines have certain great problems  
in common and the directors of the C.  
P. R. are therefore anxious that the  
government roads have at their head  
a big man in America, and executive  
of broad vision who will not be  
ampered in his work by political in-  
fluences, E. W. Beatty, K. C., president  
of the C. P. R., told the directors of the  
Victoria Chamber of Commerce at a  
meeting yesterday.

The railways owned by the people  
of Canada, said Mr. Beatty, must be  
operated as efficiently as possible in  
order that the deficit might be reduced  
as far as possible and eventually driven  
to a state of "existence."

GOOD THINGS COMING  
TO THE THEATRES  
OF ST. JOHN

LOCAL PLAYERS

To Present "It Pays to Ad-  
vertise" at Opera House.

Without a doubt the greatest ag-  
gregation of local young men and women  
ever assembled in one city have been  
brought from every quarter of St. John  
to make up the cast of players for "It  
Pays to Advertise" which opens at the  
Opera House on Thursday evening.  
The play from the pen of Geo. M.  
Cohen and which is one of his most  
successful productions in this young  
eminent author's career will be offered  
for two nights, Thursday and Friday,  
the play starting at 8.15 and will be  
over in sufficient time for out of town  
patrons to make their train back.  
The sale of tickets at the Opera  
House has been very flattering and it  
is reasonable to believe that full houses  
will greet the players when they step  
up to the footlights. The cast includes  
among others Florence Walsh, Isabella  
Gormley, J. U. Haggerty, A. B.  
Walsh, William O'Connor, Robert Mc-  
Dade, William Hurley, G. G. McGovern,  
Margaret Creary, Mary Sharkey  
and E. F. Martin.  
"It Pays to Advertise" is a very  
worth while attraction and having been  
done before with great success you had  
better get your seats now. The prices  
are 25, 50, 75c. and \$1. The latter priced  
seats are reserved. Box office open  
from 11 a. m. to 11 p. m.

ROBINSON CRUSOE

Thursday, Friday and Saturday of  
this week the Unique will show the  
first episode of the "Robinson Crusoe"

mothers and fathers will be pleased to  
have their children see in picture form,  
as every child from ten years of age  
upward has read it. Matinees will be  
run as usual each day, and, for the purpose  
of relieving the anticipated rush  
of Saturday, a special morning matinee  
will be run Saturday from 11 to 12.30.

CONDEMNNS  
MANIFESTO  
IN REAR EAST

London, Sept. 26—(Canadian Press)  
—Swift MacNeill, ex-M. P., a noted  
constitutional writer, in a letter to the  
Times condemns the cabinet's man-  
ifesto in anticipation of a war with  
Turkey as an incident without parallel  
in the history of cabinet government.  
The manifesto was due to the external  
office of the cabinet secretariat which,  
Mr. MacNeill says, is an institution un-  
known to the constitution and the sole  
creation of the present premier. This  
unfortunate foreign policy manifesto,  
he adds, with the foreign office out of  
the picture, ought to be the death war-  
rant of the secretariat.

of the dockyard, and was easily ex-  
tinguished.  
There was a visitation last night by  
members of Ashlar Lodge at McAdam

the compressor, regained consciousness  
long enough to tell physicians that the  
huge air tank had burst.

SUIT AGAINST  
A FORMER SUB  
INSPECTOR

Fredericton Livery Stable  
Firm Take Action Against  
J. Merryfield.

(Special to Times.)  
Fredericton, N. B., Sept. 26.—Before  
Mr. Justice Crockett this morning trial  
was begun in the case of Camp Bros.  
vs. J. J. Merryfield. The defendant  
belongs to St. John and a few years  
ago was a liquor inspector when Rev.  
W. D. Wilson was chief inspector.  
The action is based on the allegation  
of the plaintiffs that in 1917 the de-  
fendant hired a team of horses at  
their livery stable in this city to drive  
to Keswick and returned the horses at  
about 10 p. m. in such a condition that  
one had to be helped into the stable;  
that a veterinary was summoned but  
was unable to save the life of one of  
the horses for the \$250 had been  
offered, and that the other was useless  
for some months. The condition of  
the animals was due to over-driving,  
according to the statement of the  
plaintiffs, Scotch Lake having been  
reached by them, though farther than  
the destination intended. Reparation,  
they say, was promised, but that no-  
thing ever was received from the de-  
fendant.  
The case is defended by C. J. Mel-  
drey, appearing for Merryfield, who also  
is attending court.

LIKE ONE OF HIS  
SCENARIOS

Case of Man in Halifax Al-  
leged to Have Made De-  
mand on J. W. Moir.

Halifax, N. S., Sept. 26.—Evans Vre-  
bent writer of photoplays and alleged  
author of a letter received on Septem-  
ber 11 by James W. Moir of this city  
threatening him with death if he did  
not leave \$25,000 in a designated spot  
in Point Pleasant Park, was again in  
the police court this morning and re-  
manded until Thursday.  
Several of Vre-bent's "scenarios" were  
produced in court and one, "The Trial  
of the Orphans," was found to contain,  
as part of its action the sending of a  
threatening letter to "Sir William  
Parker" demanding \$25,000. Counsel  
for the accused drew attention to the  
fact that the photoplays were copy-  
righted.

FOOTBALL  
PLAYERS GET  
A WARNING

Toronto, Sept. 26.—Refereeing soc-  
cer matches in this district has become  
a more or less hazardous occupation.  
A few weeks ago a member of the Young  
Men's Hebrew Association was fined  
and imprisoned for striking a referee,  
and subsequently referee Jones was  
knocked unconscious by a player of the  
Memorial Institute team. This player  
was also summoned to court, but  
owing to extenuating circumstances, the  
charge was not pressed.  
However, the executive of the refer-  
ees' association, in order to deter  
henceforth to protect the officials at all  
costs, and will carry future assault  
cases to the law courts, where Magis-  
trate James Edmund Jones have prom-  
ised that offenders will be severely  
dealt with.

mouth, according to the executive  
members of the Nova Scotia Baseball  
Association who have transmitted the

been made on condition that Yar-  
mouth pay the traveling expenses of

TWENTY-FOUR BULLS EYES.

London Marksman Makes World Rifle  
Record at Bisley.  
A world's record rifle score has been  
made at Bisley by J. H. Smith, a London  
shot.  
He was taking part in a competition  
of the London and Middlesex Counties  
Rifle Association.  
Firing under King's Prize, first stage,  
conditions (seven shots at 200, 500 and  
600 yards) he made the highest possi-  
ble score of thirty-five points at every  
range, and so finished with an aggre-  
gate of 105 points, a possible 105.  
He also had a bull's-eye with each of  
his sighting shots, so that he scored  
twenty-four consecutive bull's eyes.  
Early last year C. Hill, veteran  
shot, totalled 105, but did not get  
bull's-eyes with his sighting shots, and  
that score had never been equalled be-  
fore on any rifle range.

OFFERS TO PURCHASE  
AUSTRALIAN DOCKYARD

London, Sept. 26.—(Canadian  
Press.)—Premier Hughes of Australia,  
while denying that the Australian fed-  
eral government is negotiating for the  
sale of the Cockatoo Island Dock-  
yard, admits that two offers of pur-  
chase have been received, according to  
a Reuters message from Sydney.  
Of the two offers, the better one  
has been made by Albert Green, mem-  
ber of the British House of Commons  
for Derby, who has offered £1,500,000  
on behalf of an English syndicate.

SAYS THEY MUST START

New York, Sept. 26.—All possibility  
of a settlement of the shopworkers strike  
on the New Haven Railway under  
terms similar to the Baltimore, agree-  
ment was cast aside yesterday by Pres-  
ident E. J. Pearson. His refusal to con-  
sider restoration of the strikers to their  
old jobs except with the unmistakable  
provision that they relinquish seniority  
and start as new men.

MONTREAL STOCK EXCHANGE

Montreal, Sept. 26 (10.30)—The paper  
issues featured the early trading on the  
local stock exchange this morning, dis-  
playing further strength. Brompton  
was a half stronger at 34, Laurentide  
was unchanged at 35, Price Bros.  
registered a gain of 1/4 point to 44, Rior-  
don went up 1/2 to 8 1/2, while Spanish  
River common was a quarter point  
stronger at 9 1/2. The preferred stock  
of the latter was off that fraction at  
10 1/2. Other leaders were quiet.

UPTURN IN THE  
WHEAT MARKET

Chicago, Sept. 26.—Renewed anxiety  
as to warlike developments at the  
Dardanelles gave the wheat market a  
new upturn today in the early trading.  
Some traders were disposed also to re-  
gard the threatened strike of sailors on  
the Great Lakes as being a bullish in-  
fluence. It was contended that an im-  
mediate effect of the strike would be to  
delay the movement of the Canadian  
crop and to increase demand for wheat  
at the Gulf of Mexico and as eastern  
U. S. ports.  
The opening, which ranged from 7-8  
to 1-4 cent higher, with December  
105 to 105 1/4, and May 109, was fol-  
lowed by continued firmness within the  
initial range.  
Corn and oats were firmer in line  
with wheat. After opening unchanged to  
3-8 cent higher, December 59 to  
59 1/8, the corn market showed but  
little disposition to react.  
Oats started 1-8 to 3-8 cent higher,  
December 46 5/8 to 36 3/4, and later  
hardened a trifle more.  
Despite weakness in the hog market,  
provisions reflected meter shipping de-  
mand for lard and meat.

DOUBLE REWARD  
IN TRIFTS CASE

Premier Foster announced this morn-  
ing that the department of the attorney  
general of the province had decided to  
increase to \$1,000 the reward offered  
for information leading to the arrest  
and conviction of the murderer or  
murderers of Frederick H. Trifts, who  
was found dead in his automobile in  
Douglas avenue early on the morning  
of July 8, 1922. The original reward  
was for \$500.

Mrs. Robert J. Burk, president of  
the Missionary Aid, of the Main street  
Baptist church, held the first annual  
meeting of the society at her home, 29  
Victoria street, last evening. Papers  
giving concise facts about the countries  
that are under the care of the Baptist  
Church of Canada, namely, India,  
Africa, South America, China and  
Japan, were read. A duet by Mrs. W.  
F. Roberts and Mrs. Leslie McLellan  
was a feature of the programme, as  
well as the solo by Mrs. H. K. Olin-  
stead. This was followed by an ad-  
dress by Mrs. Gray of Boston, who  
told of the work among the Chinese in  
that city.

NOTORIOUS WORLD WAR SPY  
DEPORTED TO GERMANY

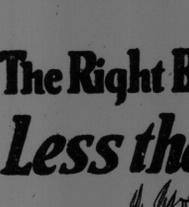

New York, Sept. 26.—Recently re-  
leased from the Atlanta Federal Prison,  
where he served a long sentence for  
willful destruction of United States  
property, Lieutenant Robert Fay, of  
the Imperial German government, and  
during the early months of the World  
War acting as an arch-spy in this  
country, was deported to Germany on  
the Hamburg-American Line steamship  
Boyer, bound for Hamburg. During  
the early war months Fay was re-  
garded as one of the most dangerous  
men that Germany had working in this  
country. All of Fay's activities took  
place before the United States entered  
the war. Under the law, Fay can never  
again enter the United States.

FRESHMAN CLASS  
AT TORONTO UNIVERSITY

SMALLER SINCE WAR  
Toronto, Sept. 26.—Whether the rea-  
sons be economic or merely the natural  
result of a general stiffening in en-  
trance requirements it was apparent at  
the close of the first day for registra-  
tion yesterday at the University of  
Toronto that the freshman year in all  
faculties would be considerably smaller  
than in any year since the close of the  
war.

COSTER GENEROSITY.

Hundreds of costermongers and their  
wives assembled near the North-  
Eastern Hospital for Children, Hack-  
ney road, London, recently, and made a  
silver collection for the institution.  
Having obtained a substantial sum  
and handed it over, the costers drove  
away in 30 charabancs for Scotland.  
Costers are doing good work for the  
hospitals, and a recent concert pro-  
duced £250.

The Right Breakfast -  
Less than One Cent

If you would finish the day right,  
you must start it right by eat-  
ing the proper breakfast.

And the finest morning meal is the  
most inexpensive. Everyone should  
start the day on oats, the greatest  
food that grows, and the most  
economical.

The oat is more nourishing than any  
other grain food—it makes bone and  
brawn. But the maximum of oat  
nutrition, flavour and value is not  
found in ordinary rolled oats sold in  
bulk—it comes only in the Quaker  
carton.

We buy the very cream of the oat  
crop, which in turn we sift for the  
best grains. These rich, plump, per-  
fect oats are milled into very thin  
flakes, and packed in sealed cartons.  
The Quaker package protects the  
Oats, preserves their original flavour,  
and prevents waste.

Perfect Oats—perfect milling—per-  
fect packing—are the three simple  
reasons for Quaker's exclusive purity  
and wholesomeness.
