Engineers was held last night in their

Major Roy King.

#### COMMISSIONERS' HOME.

Commissioner J. H. Frink returned  
last night from Fredericton, where he  
attended the discussion before the mu-

ing. Mayor Schofield remained in Fre-  
dericton.

#### ANOTHER CHEERING CASE.

While walking along Main street yester-  
day a citizen discovered that he had  
lost a \$50 bill and although he retraced  
his steps from Bridge street to Dou-  
glas avenue he failed to get a glimpse  
of his valuable greenback. An ad was  
inserted in the Telegraph this morning  
and was seen by little Willard Lingley  
of Metcalf street, who had found the lost  
bill, and he immediately returned it to  
the owner. The little chap was reward-  
ed for his honesty.

imposed. A. L. Stearn pleaded not guilty  
to allowing his automobile to stand for  
nearly an hour on the north side of King  
Square without head or tail lights on the  
night of April 18. Policeman McNeill  
gave evidence. The defendant said he  
had turned the lights on dimly when he  
left the car but that they might have  
been accidentally turned off when he got  
out. A fine of \$10 was allowed to stand.

intend to participate in all lines of sport  
during the summer and have some good  
athletes to represent them, among whom  
are Trimble and Scoville of the U. N. B.  
Coster of Dalhousie, Chipman and Mc-  
Creedy of Acadia, and Angevine of  
Mount Allison.

senger service of the Canadian Pacific

ships yet to leave St. John: The Monte-  
summa for Cuba and Jamaica on Wed-  
nesday; the Mottifont for Avonmouth,

#### BURIED TODAY.

The funeral of James A. Murphy was  
held this afternoon at his late resi-  
dence, 246 Sydney street, to St. John  
Baptist church for service by Rev. Roy  
McDonald. Interment was in the new  
Catholic cemetery. The funeral was at-  
tended by many friends and the spiritual

Included in the latter was a wreath of  
magnolia leaves and Easter lilies from  
the Imperial Theatre and a wreath of

at the home of Mrs. W. Ring, Gifford  
street, West End, to bid farewell to  
Marjorie and Harold Short on their de-  
parture to their new home in England.  
During their stay here the little ones  
had become great favorites and will be  
greatly missed. During the evening,  
which was spent in music, games and  
singing, they were made the recipients  
of gold signet rings from their play-  
mates, also a gold bracelet from a near  
friend, a silver mesh bag, a jack-  
knife and ribbons from Mrs. W. Camber.  
The presentation was made by Miss  
Beatrice Hanson. Refreshments were  
served and the gathering broke up  
wishing Marjorie and Harold a pleasant  
trip across the ocean and expressing  
many regrets at their departure.

## MANY HERE FOR DISCUSSION OF THE AFFIDAVIT

Big Athletic Meeting This  
Afternoon Promises a Live-  
ly Discussion.

An important meeting of the Maritime  
Branch of the A. A. U. of C. is being  
held this afternoon in the Commercial  
Club rooms, Prince William street. One  
of the big issues being decided is the  
affidavit, which athletes are compelled  
to sign before they will be given an  
amateur card. Indications this morn-  
ing were that delegates for and against  
the affidavit were marshalling their  
forces and preparing to fight out the is-  
sue to the bitter end. There was a  
diversity of opinion as to the outcome,  
those in favor of the stand taken by  
President Covey maintaining that they  
would succeed in securing a majority  
vote, and those opposed to his action  
expressing equal confidence.

Other matters to be decided were a  
protest entered by the Sussex Hockey  
Club against the Abegweit Club of  
Charlottetown, and the election of a  
first vice-president of the Maritime  
Branch.

Among those arriving in the city last  
night and this morning were: Dr. W.  
A. Colt of Wolfville, S. J. Doyle of  
Charlottetown, J. A. Holmes of Halifax,  
who with President Covey and Secretary  
Quigley representing the Crescents, have  
left for St. John to attend the meeting  
of the M. P. B. of the A. A. U. of C.  
there today, which is expected to decide  
the fate of the "affidavit" scheme of  
President A. W. Covey. The Wanderers'  
Club have declared for the document,  
and the Crescents against. The repre-  
sentatives of the latter club claim to be  
empowered to vote for other Nova Scotia  
clubs which are against the affidavit  
proposal.

Fredericton, N. B., April 12—It was  
said today that any Fredericton rep-  
resentative who may attend will vote  
against the affidavit scheme. If U. N. B.  
has a man present he will probably  
favor the scheme as the collegians have  
already signed up. The York County  
Baseball League will be represented,  
but is awaiting developments.

## WALKOUT IN THE YORK COTTON MILL

Weavers Protest Against Re-  
duction in Wages—About  
Forty Men Affected—Offi-  
cial's Statement.

In protest against a cut in wages,  
which they say will amount to between  
twenty-five and forty per cent. about  
forty of the weavers employed in the  
York Cotton Mill here, operated by the  
Canadian Cottons Ltd., walked out this  
morning. So far they are the only  
workers in the mill affected.

One of the officials of the company,  
in conversation with a Times reporter  
today, said that a reduction was made in ac-  
cordance with the general economic re-  
construction, to enable the mills to reduce  
the cost of their product sufficiently to  
sell it to the public at a reasonable price.  
He said, that, whereas the other em-  
ployees of the mill had not, during the  
last ten years, received increases in wages  
in the same proportion as had the  
weavers, it was the opinion of the man-  
agement that when the time came to  
reduce the cost of production, the natu-  
ral place to start was with those who had received  
the highest increases. He said that the  
reduction would vary according to the  
skill and experience of the employee.  
Fredericton, N. B., April 12—So far  
as can be learned the St. John mill is  
the only one of the plants of the Cana-  
dian Cottons Limited in New Brun-  
swick affected by the reduction in wages  
and the only one where there is any  
labor difficulty. Superintendent Dolphin  
of the company's mill at Marysville said  
today that there had been no intimation  
of a reduction in wages there so far.

## IS HELD ON A BIGAMY CHARGE

Howard J. Hanington, formerly of  
this city, was brought up before Magis-  
trate Ritchie in the police court this  
morning to answer to a charge of bigamy.  
The charge was read to him,  
and he was remanded at the request  
of the prosecution, until witnesses can  
be brought from Truro, N. S. He made  
no answer to the reading of the charge.  
Hanington was brought to the city  
yesterday on the Boston train in charge  
of immigration officers from Fall River,  
from which place he was deported at the  
request of the local police. He is thirty-  
two years of age and formerly resided in  
Truro, where, it is alleged, he married  
his first wife. It is alleged that he came  
to St. John where he was married again  
on June 2, 1921.

The complainant in the case is said to  
be sick, but will probably be brought  
here as soon as possible.  
Lindsay Sabine pleaded guilty today  
to a charge of assault on Wilfred Pinney,  
but not guilty to a charge of using abusive  
language. Pinney and Policeman  
Donahue gave evidence. The accused  
was remanded.

#### WANTS WARD LISTS.

H. E. Wardroper, common clerk, said  
today that some of the commissioners  
who officiated at the polls in the elections  
on Monday had not returned the ward  
lists used in their polls. He said that  
as the same lists would be used in the  
finals on April 24 he would like to have  
them returned.
