TWO TEAM BALL LEAGUE FORMED

The St. John Senior Baseball League was formed last evening and will be composed of the Garrison Baseball Club and the St. Peter's baseball team, last year's maritime province champions. It was decided last night, from the experience of last season, when one team won only two games, that the league this season would be limited to two teams. The league's season will begin on May 24 when these clubs will meet in two games, one in the afternoon and the other in the evening. A hand will be in attendance and the raising of last year's championship flag will take place. The meeting last night elected C. J. Morgan as president of the new league, with Gerald McGovern as secretary-treasurer. The executive of the league will consist of the captain and manager of each club. All disputes arising from the games will be settled by a board, composed of James Doberty, H. C. Olive and the umpire-in-chief of the game in dispute. The umpires will be Howard and Aitchison, who officiated in the City League last year. The official scorer will be William Carney. A cup has been presented to the new league by Lawrence MacLaren for the most stolen bases during the season. Another cup has been donated by William Petersen for the player scoring the most runs. Emerson and Fisher, Ltd., have donated a cup for the player securing the most hits during the season and a championship pennant for the winning team. The new Garrison Baseball Club will be managed by W. A. (Happy) Evans, and the players trying out for the team have been ordered to report on Monday

evening to the St. Peter's grounds for their first work-out of the season. The club expects to put an exceptionally strong line-up on the field and it is rumored that many well known players will be wearing the new club's uniform on the opening day.

The St. Peter's will line up with the larger portion of last year's champion team, although it is said that there will be several additions to the team's roster this season. The champions have held several practices and will undoubtedly give a good account of themselves on the opening day. The management of the St. Peter's has announced the season's schedule, which is as follows: Monday evenings, Senior League; Tuesday evening, Y. M. C. I. House League (Intermediates); Wednesday evenings, Senior League; Thursday evenings, open for postponed games or exhibition games with provincial teams; Friday evenings, Y. M. C. I. House League; Saturday afternoons and evenings, games with teams from the United States and Upper Canada. The Y. M. C. I. House League will be composed of four intermediate teams,

all the players of which are members
of the Y. M. C. I. This league will open
on May 24, in the morning, with a game
between the St. Peter's (Intermediates)
and the St. Rose's. The other two teams
in this league will be the Y. M. C. I.
and the Assumptions. The league will
play two nights a week on the St.
Peter's grounds and two nights on the
Nashwan Park in Fairville.

The St. Peter's grounds have been
placed in first class condition for the
season. The grounds have been levelled
right to the fence, top dressed with
loam and rolled. The base paths have
been stripped like a big league diamond
and grass is growing in the outfield.
New bleachers have been erected from
the left field foul line to the club-house
in centre field, with a seating capacity
of more than 1,000. This brings the en-
tire seating capacity of the grounds up
to nearly 3,000. The entrance to the

left field bleachers will be separated
from the main one and will be situated
near the lower end of the field. A new
front entrance has been built and the
entire grounds have been generally over-
hauled in readiness for the grand open-
ing on May 24.
