KIDNAPPED BOY FOUND IN WOODS

outh Remembers Being Captured, But Not How He Escaped.

Morrisville, N: Y., Nov. 26 .- The authorities are investigating an atempt by unknown individuals to obtain money

unknown individuals to obtain money from Mrs. Laplant, of Hyde Park, by kidnapping her 17-year-old son, Grover. The youth was found, dazed and half frozen in a small building in a maple sugar orchard on Saturday night. On Saturday morning Mrs. Laplant found in a box nailed to a post near her home a letter demanding that she leave \$600 in the box in payment for her son's return, and saying that otherwise "his body will be disposed of."

After being revived Grover Laplant said he had been in Richford for a two weeks' visit and on his return last Friday he started to walk home from Hyde Park station. Near the fair grounds in Morrisville, he said, three men in a closed automobile made him get into the car. He asserted that they refused to let him out, and when he tried to shut off the power he was struck on the head. He could not remember what happened after that.

No trace has been found of the alleged kidnappers.

He was born in Enniskillen, Ireland, in April, 1823, and since his retirement twelve years ago he had lived in Westmount.
