**WOODSTOCK TEAM COME IN AT NOON AND SAY THEY ARE ON FOR GAME**

Likely to be Something Doing at Marathon Grounds This Afternoon—Empire Connolly Notified to be on Hand

In spite of the word sent to the executive of the N. B. and Maine Baseball League by the manager of the St. John's team that the local team would not play here today unless Empire Connolly officiated at the game. Empire Connolly received a telegram from Fredericton this morning telling him to be on the grounds this afternoon, and if the St. John team failed to appear to award the game to the Woodstock nine.

The telegram also stated that the Woodstock team had left for here this morning, and would arrive at noon. The team arrived on the Montreal express accompanied by their manager, and stated that they were ready to go on the field this afternoon.

Manager Donald, of the Marathons, said this morning that the Marathon grounds would be closed this afternoon, and that there would be no game played there. It was also stated that the St. John's would not go to the grounds.

The local fans seemed to uphold Empire Connolly for doing what he did in the last game, and the St. John team say they will stand behind him. They say Keane, the shortstop, has acted in a very ungentlemanly manner, and deserved all he got in the last game.

Until this matter is settled, the local team will not play any outside games, and it is very doubtful that anything will look now if the Marathons will play in Fredericton on Thursday next. The league was going along nicely and the fans will be sorry to have the whole thing spoiled.

**BOARD OF HEALTH MEETS THIS AFTERNOON**

Report of Inspector Will Show Yards in More Cleanly Condition—Successor to Miss Rogers Wanted

Several matters of interest are to be dealt with this afternoon at the monthly meeting of the board of health. Among other things the report of the inspectors who have with one exception finished their work, will be presented, showing the condition in which they found the premises of the citizens and submitting accounts of what was done in order to comply with the requests of the board. In almost every case there was displayed a ready willingness to respect the ordinances of the board, and the yards and premises of the people are reported to be much cleaner than was the case last year.

The matter of the appointment of a professional nurse to replace Mrs. Webber, (see Rogers) will also engage the attention of the board. Her resignation will be received and accepted this afternoon, although the board feels the loss very keenly. Mrs. Webber attended to her duties in a manner which gave pleasure to all concerned, and to her is due much of the success attained in the work of attending to tuberculosis patients. So far no applications have been received from any one desirous of being a successor.

**IN SHIRTWAIST UNIFORM.**  
The letter carriers of the city are now seen about the streets wearing instead of the burdensome and uncomfortable coats, cool and neat appearing blue shirtwaists, supplied by the postal department of the Dominion government. Although there was some slight delay in the arrival of these shirtwaists, as it was thought they would reach here sooner the men feel more comfortable in them and appreciate them in the warm weather. They will be worn until the cooler weather sets in. The shirt waists are similar to those worn in the larger Canadian cities.

**STEPHEN S. DeFOREST APPOINTED SHERIFF BY LOCAL GOVERNMENT**

Choice Made This Morning—There is Likely to be Some Heartburnings Among Disappointed Candidates

The local government this morning appointed Stephen S. DeForest, of this city, to fill the position of sheriff, made vacant by the sudden death of R. R. Ritchie a few days ago. Mr. DeForest has been an active Conservative worker for many years and is one of the city's most prominent citizens. Of late years he has been manager for New Brunswick of the London and Lancashire Life Insurance Company, and his many friends will congratulate him heartily on the new appointment.

He has been actively engaged in business here for many years, starting in at the age of fourteen with the firm of J. & W. Harrison of the North Wharf. Later he went into partnership with Mr. Harrison, and the firm was conducted under the name of DeForest, Harrison & Co.

After this he was connected with the firm of Hall & Fairweather, acting in the capacity of manager, and on leaving this firm went into the insurance business. He is a son of the late George S. DeForest. He is an ex-president of the Union club.

**LOCAL LUMBERMEN SEEK EXTENSION OF PIKE LAW REPEAL**

Ask U. S. Treasury Department For Right to Manufacture Maine Logs Already on Hand—Congress May Have to Deal With It

With a large quantity of State of Maine logs on hand, it is understood that lumbermen here have made representations to the Treasury department at Washington through the regular channels, for an extension of the Pike law which expired on the 5th.

Their view is that the period should be extended sufficiently long to enable them to manufacture the surplus rough lumber. To this end the American logs have been kept separate from the New Brunswick logs so that they might be given preference should that be necessary. The manufactured product allowed to go in free.

The opinion has been expressed that as the Pike law which ran for two years, was an act of Congress, that body will have to enact legislation for its extension, and that the Treasury department will have no power to deal with it. Congress has to be asked to extend the law, and prompt action will be necessary.

**BOYS FINED FOR DESTROYING TREES**

Vandalism in Wright Street Sternly Punished—Daley at Last Allowed to go on Theft Charge—Other Cases

In the police court this morning Emma Lester was fined \$2 on two months in jail on the charge of drunkenness and George Martin and Edward Armstrong were fined \$4 on ten days in jail on the same charge. William Hanley was remanded on the charge of drunkenness. The Lester woman and Martin were arrested yesterday morning and each had to be carted to the police station. The patrol wagon is not in commission and a charge of 25 cents for cartage was marked against them.

Two boys Harry Cotes and Joseph Martin were each fined \$20 for destroying trees on Blanchard Fowler's property in Wright street. Policeman Lucas and Mr. Fowler gave evidence of the boys stealing apples and destroying the trees. They were fined and sent to jail.

Geremiah Daley, charged with fighting and also with stealing ten dollars from Andrew Hamburg, a Russian, was brought into court and allowed to go. Neither the plaintiff or the defendant had any witnesses and Daley denied the charge of theft. He was fined \$20 or two months in jail on the charge of fighting.

Robert Butler, a driver in the employ of the Canadian Express Company, reported for driving around Princess street corner faster than a walk was fined \$2 or ten days in jail.

Fred DeForest pleaded guilty to driving his automobile through Rockwood Park. He was fined \$20 or ten days in jail. The fine was allowed to stand.
