

A very successful Sacred Concert was held in March from which we realized about \$50; also during the summer a Garden Social was held jointly with the Young Men's Circle.

Our Band, jointly with the Young Men's Circle, held an open meeting, when Miss McKellar, of Ingersoll, a medical student appointed to the Mission work of India, gave a very able and profitable address on Mission work in India.

At our meeting in October the subject of raising more funds for our cause was discussed, when a committee was appointed to interview our esteemed pastor, asking him to deliver a lecture on his travels of the past summer, which he kindly consented to do.

A cordial invitation is given to all the young ladies who are not members of our Band to join us in our good work. We trust that our Band will greatly increase in numbers during the coming year.

As our Heavenly Father has blest our feeble efforts in the past, relying in His strength, let us commence the work of the coming year with renewed vigour and earnestness. Our object is a noble and grand one: the sending of the glorious Gospel to our brothers and sisters in darkness, and may God hasten the time when all nations shall know Him and call Him blessed.
