TWO KINDS OF PROTECTION.

That distinguished anti-labor leader,
David M. Parry, has been quoted as saying
that "there is a great distinction between
the right of free trade or protection."

Do you believe in free trade or protec-

tion? If you are a protectionist, how do
you harmonize the application of a na-

tural law in employing laborers and the
manufacturing enterprise?

Question: As you believe in unre-

stricted competition in the employment

of labor, do you also believe in conduct-

ing industrial enterprises in harmony

with the interests of labor?

tural law in employing laborers and the
manufacturing enterprise?

Mr. Parry's reply: As an inter-

ference with natural law, the tariff is to be

tolerated because it is the advance-

ment of the interests of labor.
