OPHIR SAILS FOR HOME NEXT WEEK

0

ROYAL VISITORS SPEND ONE DAY IN ST. JOHN'S

Destructive Fire at Montreal-Railway Contractors Claim Large Sum-Ald. Carruthers to Contest Mayoralty.

St. John's, Nfld., Oct. 16 .- The Duke of Cornwall and York, by a telegram from Canada, makes large alterations in the programme for his reception in St. John's next week, virtually compressing the whole affair into a few hours. The Royal yacht Ophir will arrive on Wedsday afternoon, October 24th, but the Duke will not land until 11 o'clock the next morning, when the functions will be hurried through. The state banquet will be given in the evening and the Ophir will sail for England Friday morning.

Boers Lost Heavily During Recent Attack on Kekewich's Camp. Pretoria, Oct. 9.-Details of the fight etween the British troops uner Col

HUNDREDS WERE SLAIN.

Kekewich and 1,500 Boers under Commandants Delarey and Kemp, near Selous River, have just arrived. The British camp had evidently been carefully chosen. It lay in a triangle formed ed by the river on the west, a donga on the east, and the Zeerust-Rusten berg road on the south. The donga joins the river and forms the northern apex of the triangle. The barks of the river are deep and precipitous, and the country round is bushy During the night the Boers crep noiselessly up the river bed, and by making a debouchment of the donga obtained partial command of the apex of the triangle and the western side

After the Willapa ar night the Trader was dispatch scene of the accident with a gear, including three powerful which will be used if necessar ing the forward department of a Diver McHardy, who took pass descend to-day and make ough examination of the ship's her position on the rocks, and a is made it will be known definit additional equipment will be require the floating of the steamer. Wor ship's condition will be brough oria by the steamer Maude this Joseph Clark, the C.P.N. Co.'s h nter, having remained with the order to bring the latest inte On making his report the Mau possibly return with what furthe nces as will be needed for the floating of the ship.

What plans will be followed in the Hating will of course depe Diver McHardy's report. The s Mr. Vincent's opinion, is not o seriously damaged as the Amu ut the latter having a double escaped much more easily than she wise would have been. The Hati he other hand, has only a sing

ADDER RECOMMENDE

Rumors are still rife as to what the C.P.N. will secure for the ria-Vancouver route. The Vancouver nce says that the sidewheel Adder, which is now in service e Irish channel, between Irelan Scotland, has been mentioned, matter of speed there is nothing to sired so far as this vessel is conc She runs between Adrossan and B meeting at the former port wit rain from Glasgow at 7 a.m. across to Belfast the passengers given a few hours ashore, and a lock they are back in Glasgow. lder was built several years ag aylight service between the two es mentioned and is most stau tructed, and is running day in out at the rate of twenty and a ts per hour. She is in effect a ss steamer of the most approv and those who are acquainted nature of the weather which ally prevails on the Irish channel aware that her construction my f the most approved type. For va easons, says the Province, it is the at the C.P.R. will not entertain ion made and will instead ruct a vessel from their own plan

(From Wednesday's Daily.) MPRESS OF JAPAN ARRIV

bout fifty saloon passengers, idred and sixty-nine Chine om thirty-nine were brought in tender Willapa for Victoria, an e general cargo of Oriental mercl made up the load carried by the S. Empress of Japan, which arr erday afternoon at the quara-ion. The steamer is the first o press line to arrived on wir sdule. She had a pleasant run ing the Pacific until reaching its, where a fog bank was run somewhat retarded progress. lay three large steamers were s imi Maru, of the N. Y. K. Idza due here from the Orient, being he number.
