investigating the motor car for service on suburban branch lines. The report says the cost per mile for furnishing the service can be reduced from sixty cents a mile to about sixteen cents a mile. At the next session he will ask for a vote to install a motor car service on the branch lines and suburban routes of the Intercolonial and Island railways for passenger business.

C. OF E. SYNOD

FREDERICTON, N. B., July 11 .-At the afternoon sitting of the synod parish reports were received from Addington and Elgin, Grand Manan, Prince William and New Denmark. All resported a year of progress.

A resolution to proceed to the election of a bishop coadjutor was then passed. The next motion provided that the salary be placed at \$1,200 together with the salary of dean. This was also carried. The next resolution of the committee that the synod select the name or names of one or more persons in holy orders in the Church of England in Canada or in some church in full communion therewith. submitted to the bishop for his approval as bishop coadjutor was passed after some discussion.

The first resolution of the committee that the synod now proceed to select such names by nomination, and the said names be transmitted to bishop with the request that he shall submit the same to the synod for election as coadjutor bishop was put and carried without discussion.

The following nom inations were then made:
