Do You Realize

That the great trouble of the American nation is Kidney Disease? Very few men and fewer women have perfect kidneys. Did you know this? And did you also know that there is but one remedy known to science for this great trouble: Warner's Safe Cure. If you have peculiar pains in the back, or anywhere else in the body, they probably come from disordered kidneys. If you are weak, sickly and do not know the cause of the aches and it is kidney trouble.

When the great and only cure for this is so easily obtained, are you, perhaps, not wasting time and running a great risk if you do not secure it.
