

Two Mills Using Same Quality of Wheat May Not Produce Same Quality of Flour

The quality of flour largely depends on the milling. Two mills might grind wheat of the same quality and the product of one far outclass the other. It is not only the high quality of the hard wheat used, but also the superior milling facilities, that places "PURITY" flour so far above all others. Our milling plant at St. Boniface, Manitoba, cost nearly \$1,000,000, and is one of the most perfectly equipped mills in the world. The wheat itself is subjected to the most wonderful system of cleaning and scouring, passing through twenty distinct machines. Fifty-five steel rollers, the largest in Canada, reduce the wheat into flour. Then it is purified and dressed by "bolting" it through silk sifters of fine mesh. Not a "branny" particle or speck of dust is ever found in "PURITY" Flour.

You may have to pay a little more for PURITY, but baking results, quality and quantity, prove it is worth far more than the slight difference.

We have two other modernly equipped mills at Brandon, Man., and Goderich, Ont.

Cold in Winnipeg.

Winnipeg, Feb. 22.—The thermometer took another dip last night, touching 23 degrees below here. This is the lowest reached so far in what is the severest and most prolonged cold snap of the winter.

Bridge or Railway.

Fredericton, Feb. 22.—A large delegation from Upper Kent, Carleton Co., appeared before the Provincial Government this morning and discussed the proposed bridge across the St. John river at Upper Kent. Premier Hazen asked if the St. John Valley Railway would not relieve the necessity of a bridge, and the reply was that it would. The Premier promised that if the Valley Railway was not an accomplished fact within a reasonably short time the bridge would be constructed.

Elected Mayor.

Montreal, Feb. 22.—Alderman Droin was elected yesterday mayor of Quebec by 1000 votes, defeating Hon. P. A. Choquette. Both were Liberals, but Droin was supported by Premier Paré, chairman of the Transcontinental commission, and the people evidently thought that it would be better that the railway and the city council be able to work in harmony.

Hundreds Flocked To Prayer Services

Continuous Meetings in Three Group Centres Yesterday—Record Attendance in the Evening—Centenary and St. Andrew's Swelled by Congregations in St. Stephen's Group.

Touched and refreshed by the all day prayer services, the workers in the simultaneous evangelistic campaign took up the fight with renewed vigor last evening and without exception successful meetings were reported.

In all three group centres yesterday the seven hours prayer services were largely attended. From 5 o'clock in the morning until 5 o'clock in the afternoon the services continued without intermission and many remained for the greater part of the time. Short pointed addresses alternating with prayers and intermingled with bright songs was the programme followed at all the meetings.

CARLETON GROUP.
Hundreds Attend Prayer Meetings—Dr. Rees Speaks in Evening on Sin as a Dungeon of Darkness.

It was a great day in the campaign yesterday in Carleton. The prayer meeting began at 10 a. m. in the E. D. C. rooms and continued until 5 p. m., and was led in turns by Rev. Dr. M. S. Rees, Rev. W. R. Robinson, Rev. J. Heaney, Rev. M. E. Fletcher and Rev. R. H. Reid.

Hundreds visited the rooms during the day and offered prayer. Miss Mullin presided at the organ. There was a record attendance at the meeting in Carleton City Hall in the evening. Musical Director Bowdoin with a choir led the singing. The audience led by Dr. Rees repeated the third chapter of St. John's gospel. Rev. R. H. Reid offered prayer. Mrs. Murray Long gave a solo and Mr. Bowdoin sang "Does Jesus Care?"

Dr. Rees spoke very feelingly from Jeremiah ch. 13, v. 10, on the words "Out of the dungeon before he dies." He went on to describe all in sin as in the dungeon of darkness, morally and spiritually. Two evils being made, resulted from the darkness, doubt and fear.

The reason there are skeptics and doubters in St. John today is because they are living in the dungeon of sin, and so doubt and disbelieve the word of God, rendering it unoperative in their lives. A man in a state of darkness is in a state of fear, is unhappy, and dissatisfied. Some try to find satisfaction in wealth, education, politics and home comforts, but this will fail. Only Jesus Christ can rescue from the dungeon of despair.

Those in the dungeon are in danger of death, spiritually and morally. If a man is to get out of this dungeon, he can only do so through help from others. This help is found in the salvation of Our Lord.

In very feeling terms Dr. Rees pleaded with the unconvinced to change their mode of living and accept religion from their Master and Saviour. On an appeal being made, scores rose and asked for prayer, expressing a desire to lead a new life.

ST. ANDREW'S GROUP.

"What Shall I Do With Jesus?" Rev. Ora S. Gray Makes it a Personal Question With His Hearers—Many Decide For Christ.

The largest congregation of any week night gathered in St. Andrew's church last evening, and hundreds were unable to get in. For the first half hour, Mr. Allen assisted the large choir, led the congregation in the singing of many old and familiar hymns. Rev. Ora S. Gray spoke from the text: "What Shall I Do With Jesus?"

This was a personal question, he said, which could be answered by the individual alone. Changing the question to a negative, Dr. Gray said "What Shall I Do Without Jesus?"

1st. In temptation without the inspiration and help of our master.

2nd. In sorrow, life like the railroad, through black tunnels when we need the light of the living presence. The little child in the darkness, and afraid stretches out its hand to its mother, and so man in the hour of sorrow reaches for the nailed pierced hands of the Saviour.

3rd. In the hour of death, he told impressively of a dying Christian girl who was asked by her skeptical father if Jesus came to her in her last moments if possible, to lift her hand. She did so so significantly that it was the means of her father's conversion.

4th. In the hour of judgment, when one stands before the Eternal Judge will it not mean much to have Him as your friend?

At the close of the meeting a number signified their intention of beginning a Christian life.

FAIRVILLE GROUP.
Rev. Lawrence Greenwood Draws Lessons from Gaderene Demoniac—Many Signifying Acceptance of Christ.

At the Fairville Baptist church there was one of the largest congregations during the campaign. Rev. Lawrence Greenwood spoke in an impressive manner on the subject of the Gaderene Demoniac, who was restored to his right mind by the power of Jesus.

A number rose for the first time for prayer, and several signed cards signifying their acceptance of Christ as their Saviour.

is the great gift of God. What is the means of having it? Through His name. What does the name of Jesus mean? Behold the Lamb of God which taketh away the sins of the world.

Whoever believeth. What does it mean to believe? To believe means faith. To have faith means to obey. Will anything take the place of this faith in Jesus Christ? Will sincerity, devotedness, earnestness, consistency, generosity? No, not unless we accept the gift of remission of sins, once more I point you to the cross. Once more I point you to the open door. May you tonight accept God's great gift.

Successful after meetings are being held following the evening services, at which many have accepted Christ. Services for today, holy communion, 10 a. m.; children's lantern service, 4 p. m.; meeting for prayer and intercession, 7.15 p. m.; song service, 7.45 p. m.; mission service, 8 p. m.

CENTENARY GROUP.

Jesus The Real Force In Every Home—Rev. Chas. Sykes Speaks On The Text: "The Master is Come And He Calleth For Thee."

With the departure of Rev. A. B. Winchester follows the reorganization of St. Stephen's group and the large congregation at Centenary church was swelled by representatives of Zion Methodist and the Congregational churches. Rev. Dr. Flanders welcomed the newcomers and expressed the hope that their union with the other churches might prove mutually helpful.

Rev. Chas. A. Sykes delivered a fine address from the words spoken first to the sorrow stricken Mary at Bethany: "The Master is come and calleth for thee." With fine insight, the speaker traced the antecedent circumstances and drew many helpful and touching lessons for today from the text.

"In our homes, as in the homes of Bethany," he said, "the real force should be Jesus Christ. Think of the needless and death coming. What crown the unbroken home circle like the presence of Christ? Let us take Him in."

MAIN STREET GROUP.

Rev. Dr. Smith Deals With Three Elements of Belief—Special Service This Afternoon.

Last evening was the grandest and most enthusiastic of the campaign in Main street church. A large congregation filled the building to the doors. Mr. Lamb led the choir and the singing was inspiring. Rev. Dr. A. J. Smith took for his text: "Dost thou believe in the Son of God?"

There are three elements, the speaker said, in belief. First, knowledge; second, conviction; third, commitment. He gave three reasons why the questions should be considered, because God asked it, because it was of personal importance, and because our destiny depended upon the answer given.

At the close of the sermon many stood to indicate their desire to lead a Christian life.

This afternoon at 3.30 o'clock service will be conducted in Portland Methodist church by Dr. Smith, who will preach on "Three Questions Touching the Home."

S. A. CITADEL.

William Matheson Gives Earnest Address On "The Leprosy of Sin"—The Only Cure.

In the Salvation Army Citadel Mr. William Matheson preached to a large audience on the "Leprosy of Sin." He told the story of King Naaman of Assyria, who was a great warrior, a leper and separated from his people.

Leprosy, the speaker went on to say, is typical of sin. Leprosy separates man from the society of his friends, while sin separates man from the society of Heaven. It did not require much education to distinguish a man from the society of his friends, but attending a church service and next day in a grog shop, it was easy to see that he was a hypocrite.

In concluding, Mr. Matheson said that strict obedience to the law of God was the only way to be cured of the leprosy of sin.

OBITUARY.

Mr. G. Sidney Smith.

The death of Mr. G. Sidney Smith, one of the best known barristers in New Brunswick and one of St. John's foremost citizens occurred shortly after one o'clock yesterday afternoon. He had been ill since Christmas, suffering from bronchitis, which brought on general debility.

Mr. G. Sidney Smith was born in St. John on May 24, 1834, and was therefore nearly 76 years of age. He was the eldest son of Mr. Henry Bowyer Smith, who in 1824, at the age of 24 years, was appointed by the Imperial government collector of the port of St. John, which position he held until 1848 when the control was transferred to the colonies and Mr. Smith retired on a pension.

Mr. G. Sidney Smith was named after his father's elder brother, Capt. George Sidney Smith, R. N., who as midshipman was captured by the French, and spent seven years in French prisons, and escaping at the age of 18, succeeded after many adventures in making his way home. Mr. Smith was educated in the St. John Grammar school and the Collegiate school at Fredericton, where he won the Douglas silver medal as a dux of the school. He then entered King's College, now the University of New Brunswick, winning a foundation scholarship and the Douglas gold medal. He studied law with Mr. William Jack, Q. C., advocate general in St. John, and was admitted an attorney in 1858 and a barrister in 1859. Mr. Smith had the management of estate and trust funds and was for

ARRESTED FOR STEALING \$10

J. Pearl Anderson in Custody for Taking Money from Employer's Safe—Owns Up to Charge.

J. Pearl Anderson of the North End, aged 18 was arrested by Police Officer Hamm between 7 and 8 o'clock last evening on a charge of stealing \$10 from J. S. Ashkin's clothing store, Brussels street. The theft for which he was arrested was committed about two months ago.

About that time it was discovered that certain articles were being stolen and Anderson, who was employed about the store was suspected and dismissed. He was later taken back, however, and about a week later it was found that \$10 had disappeared from the safe, which had been left open. Mr. Ashkin had good reasons for suspecting Anderson, and the young man invited further suspicion by leaving town the following day.

The police were notified at the time but nothing could be done in the matter. It was learned yesterday however, that Anderson had returned to the city, and a warrant was immediately sworn out for his arrest. He was taken into custody on Main street early in the evening by Officer Hamm. On the way to the police station he admitted his guilt.
