SOCIAL
SERVICE
COUNCIL

Will Ask for Amendments to
Election Law—Want Mari-
time Home for Feeble Mind-
ed—Plans for Busy Season
Formulated.

A well attended and business-like
session of the provincial and city
and county executives of the Social Ser-
vice Council was held yesterday after-
noon in the Board of Trade rooms. A.
M. Belding presided. Dr. Shearer and
Dr. T. Albert Moore were present and
in short addresses before the meeting
advised the council of the progress of
the Social Service Council. Several
matters of business arising out of the
minutes were disposed of and it was
decided to endorse the stand taken
by Nova Scotia council regarding pro-
hibition in England, and a committee
was appointed to draft a resolution to
be forwarded to Premier Lloyd George
asking that prohibition be adopted
there.

Mr. Justice McKewen was elected
to represent the council on the Do-
minion executive. The matter of ask-
ing the provincial government to ap-
point a representative to the Purty
Congress to be held in Louisville this
coming fall was left with the chair.
The chairman was authorized to ap-
point a committee to take up with
the government some amendments to
the election law and to suggest ways
and means of overcoming the patron-
age evil.

The chairman, secretary, Mr. Justice
McKewen and Police Magistrate
Ritchie were appointed a standing
committee and several matters were
left for them to deal with.

The action of the Dominion Council
in seeking to have the criminal code
amended in respect to age of consent,
and adultery, was endorsed and the
council pledged its support in secur-
ing signatures to petitions which are
being circulated.

The question of a Maritime home for
feeble-minded children was heartily
endorsed by the meeting and the fol-
lowing committee was appointed to
collect information and suggest work-
ing plans for the securing of such an
institution: Revs. J. A. McKelgan,
H. A. Goodwin, Moncton; P. S. Dow-
ling, Mesdames D. McLellan, R. J.
Hooper and H. A. McKewen.

Rev. W. R. Robinson, Rev. W. H.
Sampson, Dr. G. G. Melvin, Dr. W. F.
Roberts, Mesdames E. A. Smith, An-
drew and Adjutant Clark were ap-
pointed a committee to formulate
plans for the necessary legislation
in regard to child welfare work.

It was decided to give the Kinder-
garten Association all the aid pos-
sible in their efforts to obtain legisla-
tion permitting the introduction of the
kindergarten into the public schools
and the following committee was ap-
pointed to assist them: Miss Clara
McGivern, Mrs. Nice and Rev. W. H.
Barnackrough.

The executive endorsed the propo-
sal to ask the government for the ap-
pointment of a lady factory inspector,
and Mrs. R. J. Hooper was appointed
convenor of a committee to prepare
details. She will name her committee
in a day or two.

Rev. H. A. Goodwin, Moncton,
brought up the question of organiz-
ing local councils and it was decided
to push along the organization of lo-
cal councils in the different centres
in the province as rapidly as possible.

SCHOONER OVERDUE.
Herald: One of our finest
and fastest fish carriers, the tern
schooner Perce, owned by Robin
Whitman, which sailed from
Halifax January 8th with a cargo of
codfish for Santos, Brazil, is now
eighty days out without being re-
ported. Some anxiety is being felt for
her safety and in some quarters it is
feared she may be another victim of
relentless Hun and that her crew
have been taken prisoners. The
schooner when she sailed from Halifax
was in command of Captain Carl Kob-
a naturalized Canadian, though
born in Germany. The Perce was
shipped at Liverpool last year and
carried 208 tons.

SH. BUILDING
BOOM ON IN
NEW ENGLAND

Big Shipyard to be Built in
Stratford, Conn., by Housa-
tonic Shipbuilding Co.

Special to The Standard.
New Haven, Conn., Mar. 28.—The
Housatonic Shipbuilding Co. will con-
struct one of the largest shipyards in
New England on Housatonic river, in
Stratford, and will build at once 19
three and four masted wooden schoon-
ers of 300 tons each.

The shipyard and steel and man-
ufacture plants will not be commandeered
by the United States unless their
owners fail to meet reasonable de-
mands of the navy and war depart-
ments.

Purchase Vessels.
Boston, Mar. 28.—The France and
Canada Steamship Co. is the purchaser
of four fast sailing vessels of the
Palmer fleet. The price, it is under-
stood, is more than \$1,000,000.

One of the ships is now at New
York fitting out and the others are
either on the way to port or soon will
be. The boats have a 4,500 ton ca-
pacity and will be used to carry car-
goes from New York to France. They
can cross the Atlantic in about three
weeks, which compares favorably with
the time of some tramp steamers.

COFFEY STOPPED KELLAR.
New York, March 27.—Jim Coffey
the Dublin giant, stopped Terry Kel-
lar, of California, in the third round
of a 10-round match in Brooklyn to-
night. Kellar's seconds threw up the
sponge. Coffey weighed 200 pounds,
and Kellar 175 pounds.

MURRAY OUTFOUGHT.
New York, March 27.—Kid Wil-
liams, of Baltimore, outfoight Jimmy
Murray, of this city, in a 10-round
bout here tonight. The weights
were: Williams 115 3-4 pounds;
Murray 118 3-4.

A WORLD'S RECORD.
New York, March 27.—A world's
record for the 220 yard swimming in
a 25-yard tank—two minutes 22 1-2
seconds—was made here tonight by
Norman Rose, of the Olympic Club,
of San Francisco, in winning the
National Amateur Athletic Union
championship at that distance.

Children Had Eczema
Doctors Failed to Cure

Two Letters Which Prove the Efficiency of Dr. Chase's
Ointment as a Cure for Eczema.

Fortunate are the mothers who
know the virtues of Dr. Chase's Oint-
ment, for there is no treatment so
suitable for use after the bath to re-
lieve irritation and chafing and to
thereby prevent eczema and similar
skin diseases.

Mrs. W. L. Barnes, Toronto, Ont.,
writes: "I want to tell you about
the case of my little boy, who had
baby eczema when he was three
months old. It started on the top of
his head, on his forehead and around
his ears. The doctors failed to do him
any good, so I tried Dr. Chase's Oint-
ment on the recommendation of a
friend, and in a month's time the
child was entirely free of this dis-
agreeable skin disease. He is now
four years old, and has never had any
further trouble from ailments of this
kind. I also have great faith in Dr.
Chase's Nerve Food, and believe that
it cannot be beaten as a restorative
for pale, nervous women."

Mrs. George McNair, River Charles,
N. B., writes: "We use Dr. Chase's
Ointment in our home, and would not
wish for anything better for cuts,
burns and bruises. A few years ago
a friend of mine, whose baby was
terribly afflicted with eczema had her
child treated by their own family phy-
sician, but the little one got no better.
They tried several remedies, but they
all proved useless in this case. Upon
the advice of a neighbor they got Dr.
Chase's Ointment, and before the first
box was used the child was completely
cured. I can also recommend Dr.
Chase's Nerve Food to suffering
friends who I know will be glad to
learn of something to relieve their
nervous trouble. You have my per-
mission to use this letter for the ben-
efit of others."

Dr. Chase's Ointment, 60 cents a
box, all dealers, or Edmondson, Bates
& Co., Limited, Toronto.

MULOCK DENIES
CHARGES MADE
BY HIS WIFE

Millionaire Son of Sir William
Mulock Defendant in To-
ronto Divorce Case.

Toronto, Mar. 28.—The statement of
claim for alimony in the action of
Adele Baldwin Mulock against Cas-
tro Mulock, the millionaire son of Sir
William Mulock, charged her husband
with cruelty and violent abuse, insult-
ing language and infidelity.

Among other insulting statements
made by the defendant to the plaintiff
says one paragraph of the statement,
"the defendant has stated that he
would be glad to be rid of the plain-
tiff, and would at any time furnish his
wife with evidence of his adultery if
she desired to obtain a divorce from
him."

Wants \$3,000 Each Month.
The claim is for \$3,000 per month.
A number of the allegations of the
plaintiff are denied by the defendant,
who says his wife has showed an utter
indifference to him. "The plain-
tiff never complained to the defendant
of his drinking, or of any other mat-
ters alleged in the statement of
claim."

The defendant alleged that the plain-
tiff is to blame for the unhappiness
that exists, but is willing to pay such
alimony as the court may direct, ac-
count being taken of the large sums of
money the defendant has already set-
tled upon or given to the plaintiff.
