SOLDIERS AND ENTHUSIASM. When the Normal School Opens--|Principal Calkin to Retire -- Archdeacon Kaulback Going to Australia -- Truro Man Murdered The Sixty-Second Fusiliers in New York.

BIG DEMONSTRATION.

Start Another

The Battalion Marched to Market Square Where a Crowd was so Anxious to Help Out the Demonstration They Spoiled the Sol- ers, and is expected to be completed in diers' Programme.

The enthusiasm of the citizens of St. John has been again kindled by news at the end of the present term. His eduof a British success in South Africa, this occasion being no less an important event than the relief of the beleaguered town of Mafeking. The announcement of the re- the province, he will step aside with honor. lief of Maleking was received here sev-

reral days ago and the people of this good old Loyalist city have since been cele-brating in a demonstrative manner, al-though the celebrations have been greatly interfered with by the inclement weather. onday evening's celebration was a re-markable demonstration. It was an-noniced that the 62nd Fusiliers would hold a march-out and go through a programme

a march-out and go through a programme of exercises on the Market square. The

THE RAGING ST. CROIX.

St. Stephen, May 21-What is pronounc-ed by the oldest inhabitant to be the heaviest freshet ever seen is now racing on the St. Croix river. The water has been rising an inch an hour and all the saw mills as well as the cotton nill are closed. One boom broke this morning

closed. One boom broke this morning above Milltown and about half a raillion logs were let loose. Many of those are now lodged against the Milltown upper bridge, which is being badly strained. The electric cars are not crossing the bridge on that account. The express train on the Washington County road cannot come nearer than four wiles to Cubic as the water is a bride

or so selecting a site and making arrangements with the town authorities, looking towards the purchase of land adjoining County road cannot come nearer than four miles to Calais, as the water is so high on the track across the meadows above Milltown that the fires would be exting-uished, and on account of a heavy wash-out beyond Machias no freight trains have come over that line since Saturday. Should the extension to give a speet director he present Normal school building, for the erection of a new brick Science building. The Science building will be in conection with the training school for teach-

time for classes when the Normal school opens in the fall. Principal John B. Calkin, of the Provin-cial Normal school, author of many of the

chief text books now in use in the public water being so high that the power station was forced to close. Calais, May 21-The five days of rain has brought the heaviest flood in the St. Croix river seen for years, even as long as cational works demand much of his time . a quarter century. Saw milis and cotton mills have shut down and there is fea: and, after a long service as head of the most important educational institution in that property destruction will be serious, especially if the upper dams which hold back great areas of water should not prove Private Fulton Conoley, of this town,

RUSSIA IN COREA.

London, May 21 .-- In the House of Commons today the parliamentary secre-tary of the foreign office, Mr. William a march-out and go through a programme of exercises on the Market square. The result was that the citizens turned out en masse and joined in making the occasion a memorable one. The loyalty and en-thusiasm displayed was spontaneous and the streets presented an animated appear-ance. Pedestrians of every station of life lined the principal streets and gave very to their feelings in more ways than one operate for the benefits of depositors as well as note holders and others interthe streets presented an animated appear-ance. Pedestrians of every station of life ined the principal streets and gave vent to their feelings in more ways than one. Almost everybody was decked with pa-triotic colors and even the dogs about the streets were decorated with pariotic em-blems of some kind, while flags and bunt-ing hung in profusion from the principal uildings and private dwellings. King, Charlotte and Germain streets and Market square were literally ablaze with illuminations, while the giant fire-cracker and fireworks of all kinds could be heard en every side. In fact the noise to as almost impossible to hear one's self appeak. The Fusiliers assembled at the drill sheel at 7.30 o'clock and at 8 o'clock the com-mand to "fall in" was given. Out of the 290 men enrolled there were 248 on parade. Upon the suggestion of the minister the bill will go to the committee of banking not refer to a past debate. proceeded with in committee.

mand to "fall in" was given. Out of the 200 men enrolled there were 248 on parade. The regiment, in command of Major Stur-dee, and headed by the 62nd band, march-ed to the Market square by way of Car-marthen, Broad, Charlotte and King streets. The men presented an unusually fine appearance and were cheered to the echo as they marched through the streets to the inspiring music of the Soldiers of the Queen. Each member of the regi-ment carried a Chinese lantern. Arrived at Market square the regiment

Arrived at Market square the regiment marched around the square the remner at the foot of King street, facing that thoroughfare where the Chinese lanterns were lighted. Each man was provided with a ten ball Roman candle, which presented a way worth with a ten ball Roman candle, which presented a very pretty sight when set off. The command 'o 'form fours'' was then given, and the regiment march-ed to its original position, where Mayor Daniel called for three cheers for the Queen, which were given a most hearty manner. Three cheers for Baden-Powell and the garrison of Mafeking were pro-posed, and were given with a vengeance. The regiment then marched to the drill-shed by way of King, Germain and St. James streets. It was intended to carry out a regular programme on the Market James streets. It was intended to carry out a regular programme on the Market square, but this was impossible, owing to the dense crowd which assubled there. While the soldiers were assembled on the Market square, a display of fireworks was being made all along King street, while howling crowds paraded the above street singing patriotic songs. A bon fire was lighted at southwest corner of the King square, while red fire was burned in larce quantities from the
