A SONNET.

"A vast multitude was incessantly passing down King street, because the myrmidons of the law permitted them not to stand on the street corners."—Beckford.

Sometimes dream, when shutting both my eyes,
That is, sometimes, especially when I sleep,
And when I've dreamed enough, I always rise
And ope my eyes no longer vigil keep.

With *Thomson's Eye Wash* for optics sore,
I bathe my eye-lids when I feel the pain,
And suffer ills and anguish nevermore:
But if I do, I bathe them o'er again.

And *Quaker Bitters* do I drink to kill
Dyspeptic aches, Yellow Jaundice dire,
A sure relief is it from every ill:
Consumption's cured, likewise the hectic fire
Which burns the heart and eats the ebbing life away.
And soothes the troubled spirit with its painless lay.

Ayer's

Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning grey or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

All Impurities of the Blood and diseases incident to the same always cured by the Quaker Bitters, if taken according to the directions.

The Aged find in the Quaker Bitters just the article they stand in need of in their declining years. It quickens the blood and cheers the mind, and paves the passage down the plane inclined.

READ THIS.

St. John, N. B., July 23, 1849.

Dear Madam,—In justice to you, and that the afflicted may know the great benefit derived from the use of your justly Celebrated Dinner Pills, I send you the following statement:—

My wife was afflicted with the Dyspepsia for one year, and Piles many years, and tried various remedies that were recommended, but nothing did good until a friend told her to try your Pills, which she did, and after taking one box found so much relief that she continued to take them for four months, and now she is really in as good health as she ever was. And for myself, I had a cough for four years, and constant pain in my breast; I was also troubled with hemorrhage for upwards of nine months. I tried almost everything, but no cure was effected, until I used your Pills, which I have been taking for three months, and I have neither pain nor cough, and enjoy as good health as ever I did, and allow me with due respect to remain

Yours, very thankfully,
John Fredericksen.

HAVE the satisfaction of announcing the completion of the *Second Edition* of the Reference Book—the first edition having been destroyed on Christmas Eve by the Centre street fire.

By the employment of eight of the largest printing establishments in the United States—six in New York, one in Philadelphia and one in Boston—a feat in typography has been accomplished which has no parallel in this or any other country, viz: that of printing in a little over a month a huge volume containing the name of every Merchant, Banker, Manufacturer Trader and Business Man in the United States and Dominion of Canada, together with the location, trade, estimate of means and credit standing in each case.

The numerous and important changes which occurred during January are included in the new volume, and subscribers get a better book than ever before, though somewhat later.
