registered 14 below zero. During the year they held sixteen meetings with an average attendance of eleven. Their books are well kept by a faithful Brother who for many years has served the craft. Our Senior Grand Warden, the Master, Wardens and Brethern are anxious to do their work well and show a zeal for masonry worthy of imitation.

On the 7th Feb'y I visited Victoria Lodge No. 2 at Charlottetown in company with Deputy Grand Master Messervey, J. G. W. Macmillan and Bro. John Collings, acting as S. G. W. Their books and accounts are well kept. The secretary's report at the close of each year is a summary of the work of the Lodge, and is a history in itself. They held during the year nineteen meetings, average attendance over eighteen. We were kindly received by the Brethren of Victoria Lodge, and there is manifest with them the spirit of masonry.

On the 10th of March I visited Zetland Lodge at Alberton. The Grand Secretary and Senior Grand Warden accompanied me. We were hospitably entertained and very kindly received by the Lodge. The second degree was conferred on a Brother in a creditable manner. This Lodge shows signs of marked improvements. They own their hall, which is nicely furnished. They are out of debt and are loyally observing the tenets of our Order.

On the 27th April, P. G. M. Darrach, the Grand Secretary and I visited Mount Lebanon Lodge, No. 6, at Summerside. Bro. Darrach examined the books. They held ten regular and six special meetings during the year. The average attendance twelve. Financially this Lodge is in a good condition. The books are well kept by a competent secretary. Considerable business has been done during the year and the Lodge is growing in numbers. The officers are young men anxious for the growth of the Lodge. We trust that Mount Lebanon may flourish and grow as the forests of Lebanon of old.
