vailed last evening, it was not possible to as- es of conflict.

By our present policy we are at once deluding our colonists and tempting to aggression the only power from which aggression is to be feared. The isolated detachments of our troops might attract invasion, but could not possibly repel it. Their removal would not possibly repel it. The remov

# The Murderer Muller.

HIS ARREST AT NEW YORK.

(From the New York Times, Friday.) As published in the Times of yesterday plain and the Canadiaus should understand the packet ship Victoria, Captain Champion exactly what we, for our part of the bargain from London in thirty-eight days, arrived at Quarantine about 9:30 o'clock on Wednes day evening, having on board Franz Muller. at least assumed till recently, that in the the young German, who is charged with

assassination, the motives that led to the commission of the crime, the zealous efforts the side of the British regiments; but until that were made by the police of London. this result has been attained—perhaps as Liverpool Manchester, and other cities in England, to ferret out and apprehend the criminal, or the means by which, at last as she was of sailing for New York. these facts have been fully published. Inspector Tanner, Inspector Kerresy and Sergeant Clark, all connected with the Metropolitan Police of London, arrived here per steamer, two or three weeks since they having been sent on for the express purpose of boarding the Victoria immediately upon her arrival in our harbour, and taking the murderer into custody. For the last fortnight, one or more of these officers, to gether with Mr. Death, the London jeweller and Jonathin Mathews, the cabman, have been stationed at Quarantine, Staten Island. momentarily expecting news of the Victoria's shown to have belonged to Mr. appearance off Sandy Hook, and ready to board that ship at the first opportunity Late on Wednesday afternoon a telegram from Sandy Hook was received at the telelegraph station at Quarantine Landing that the Victoria was in sight. Immediate steps were consequently taken to board her, and at 9:30 o'clock in the evening, when the packet entered the waters of the Quarantine, the London officers, accompanied by officer Tieman, New York detective force, and Messrs. pose of identifying Muller, entered the Health Officer's boat, and with the latter Upon boarding her, the detectives were who informed them that he was aware of quainted with the fact that he had on board

the notorious railway murderer. It seems that the London Detectives, immediately upon their arrival here, visited the office of the Sandy Hook pilots, and had directions issued to the effect that the pilot, wherever he might be, who boarded the Victoria on her inbound voyage, should say felt as though a very heavy responsibility necessity of keeping a strict watch over him night and day. During the voyage Muller in this wise: When the Victoria was in the from the new mill in the San Lorenzo Val-Owing to the intense excitement which pre the temptation, and thus diminish the chancesteamer containing a party of excursionists. The publicity given to the fact that Muller, vailed last evening, it was not possible to ascertain any reliable information as to how It seems to have been forgotten in the the English railway murderer, was expected
