REV. HENRY POPE, D.D.

One of the Fathers of Methodism in the Lower Provinces, writing to the Hawker Medicine Co., St. John, N.B., under date of March 21st, 1894, says:

"For several years I have suffered, almost continuously, many of the distressing ills resulting from sluggishness of the liver, realizing from various medicines but partial and only temporary relief. Nine months ago I determined to test the efficacy of Hawker's Liver Pills. To-day I am happy to inform you of the great benefit I have derived from their use. In my case they have proved a decided success.

"During this winter my family and myself had a visitation of *la grippe*, which left us in a generally enervated condition. We obtained your Hawker's Nerve and Stomach Tonic, and after using it for a few days, as prescribed, so sensibly and manifestly did we regain our strength and energy that I can and do confidently recommend it as one of the surest and best invigorators of the age.

"Wishing you the largest success in your laudable enterprise,

"I am gratefully yours,
"HENRY POPE."
