taining whether it is of the standard weight—that is to say, the bushel, half-bushel, or quarter of a bushel, shall be placed on a flat floor, and filled with a scoop large enough to fill it at one time, and shall be struck with a roller  $2\frac{1}{2}$  inches in diameter.

DUTIES OF INSPECTORS.

15

Inspecting. **15.** The duty of Inspector shall be to determine and certify the quality of all Wheat or other Grain submitted to him for Inspection, in conformity to the standards hereinbefore prescribed

Providing samples as standards. **16.** Each Inspector of Grain shall, at his own expense, provide sufficient samples of each of the qualities of the different kinds of Grain, 20  
of which the standard is hereinbefore fixed; such samples to be approved by the Board of Examiners, and to be renewed as often as may be required by the said Board; and the same shall be deposited with the Secretary of the Board of Trade, and kept by him as standard samples, by which the Inspectors shall be governed in establishing the several 25  
qualities of Wheat and other Grain.

Renewing samples. **17.** The standard weight of each kind of Grain shall be fixed and unchangeable; and when the samples aforesaid are renewed, the color of the new samples shall be as near that of the original samples as possible.

Inspector's office. **18.** The Inspector shall provide himself with an office in some place 30  
in the city for which he is appointed, convenient for the trade, and shall keep a record of all his Inspection, which shall be open to the public.

Fees to Inspector. **19.** For such Inspection, the person who required the Inspection thereof shall pay to the Inspector the fees payable for the service performed under the Tariff made by the Board of Examiners, as herein- 35  
after provided, and then in force.

Bill of Inspection. **20.** As soon as any Wheat or other Grain is Inspected, a bill of Inspection (with a certificate to the shipper when required) shall be furnished by the Inspector or assistant Inspector, without fee or reward, specifying the quantity and quality ascertained by inspection, and the 40
