PUBLISHERS' TALK

WE wish all our readers and patrons a happy and prosperous New Year. They will have it if they are optimistic. As for ourselves, we are quite cheerful over the prospects for 1908. Our subscription list is steadily enlarging; our special three dollar offer is proving quite attractive.

THE other day a lady remarked that our four December issues were worth all the other numbers of 1907 put together. Do you think that remark was a compliment? We have been trying to figure it out for ourselves, but we are not quite sure.

MR. H. J. P. GOOD'S next two articles will deal with curling, and other articles will follow until every sport has been dealt with. Mr. Good desires us to say that he does not know all about all the sports and that he will be glad to hear from any one with historical and interesting information concerning any sport, and especially from those who have portraits or groups of players or sportsmen who have made their mark in any line of athletics. Whether these relate to the past or the present, he will be glad to hear about them. He especially invites correspondence from secretaries of the various organisations in the Maritime Provinces, Quebec and the West. Mr. Good's address is 11 Ann Street, Toronto.

EVERY reader of this journal who hears of an interesting photograph will confer a great favour by seeing that we get a copy of it. The only test is "Will it interest the people of Canada?" If so, we will be glad to get it.

A SPECIAL article on Mr. Marconi's station at Glace Bay with some new photographs will appear shortly. In fact, the next few issues will contain some striking features.

A Mother's Testimony

About a month ago I received one of your LITTLE BEAUTY HAMMOCK COTS and find it perfectly satisfactory in every respect and would not like to part with it, for it is the best thing I ever saw.

Write for a copy of "BABY'S SLEEP" telling all about it.
