

# Ironmen crush Black Watch

The UNB Ironmen finished their last game of the season with a decisive 31-5 win over the Black Watch Regiment at Base Gagetown Saturday afternoon. Bob Kay, Tony McCurdy, and Peter Pacey all scored twice for the Red and Black; Nevin Young, Rick Adams and Jim McKay each contributed a try.

Both successful converts were courtesy of Clarke Fitzgerald. It would be incorrect to single out any individual UNB players for specific honours in this match, as the whole team played magnificently, and very much as a unit. Black Watch were clearly not up to task of defeating the Ironmen, and coach Cockburn is expecting bigger and better things

The Ironmen finished season's play with a 3 win, 3 loss, 1 tie record, which is an excellent performance considering that this was the first year since the inauguration of Canadian football at UNB that active interest in the game has materialized on campus. Rugby football is going places in Canada. Next year get in on the ground floor and support, or better still, play for your University team. Once again, congratulations to Bob Cockburn and the Ironmen on a determined, aggressive effort this season.

from the squad next season.

Most of this year's players will be returning; most will be even wiser in the ways of the game. Prospects of fielding 2 teams are very good, and a match with McGill University is also in the offing!

## Red Harriers to Canadian Championships

The UNB Red Harriers will finish their season with the Canadian Championships in Halifax on Nov. 9, and regardless of their performance the squad will have given a fine showing of themselves this season.

The Harriers, perennial champions, showed no signs of losing their desire that has led them for more than a decade. The Harriers retained their ninth straight MIAU crown and their tenth in eleven years of the competitions. The team also retained the Northeast College Conference crown as they continued to dominate

the small college circuit of Maine.

The Harriers are undefeated in the NECC loop and with one meet remaining, have already clinched that Championship.

Earlier this season the team underwent a major rebuilding job. Graduations and academic disqualifications removed three members of last year's team and the Harriers were thought to be in danger of losing their supremacy on Maritime Cross country.

Coach Early pushed his charges through a rigorous training schedule and here...

the high standards of the Harriers.

Two Freshman surprises, Bob Slipp, and Paul de Niverville, stepped in and performed well for the team along with John McIsaac, a transfer student, who took over as the teams pace setter leading the squad on the field.

Captain Tim Holmes, the work horse of the squad, and fellow returnees Brian McEwing, Fred Steeves, and Dave Walker were constant performers and supplied the team depth, which helped to carry them to the CIAU finals.

## Red Shirts rout Dalhousie 11-2

The UNB Red Shirts finished their season on a triumphant note by blasting the Dalhousie Tigers 11-1. The win gave the Red Shirts a 2-2-2, record for the year.

The first half of the game with the injury riddled Dal team playing surprisingly well and taking a one goal lead at the twelve minute mark on a goal by Jackson. However from this point on, the formally punchless UNB forward line, was in complete control of the game. Left winger Tom Gamblin quickly evened the count and then Gary Eil put the Red Shirts ahead to stay. Two

more goals by Gamblin made the score 4-1 at the end of the half.

During the second half the Shirts, particularly Gamblin, ran wild. Forwards Couchman,

Eil, McGuagahey Cotterel and Lawlor took turns setting up Gamblin who scored five more goals. Couchman and, McGuagahey also dented the twines to make the final score UNB 11, Gamblin 8, and Dalhousie 1.

The game marked the final one for the co-captains of the team, Goaler Emerson Mills and centre forward Dan McGuagahey.

## Harriers tried harder

The UNB Red Harriers captured their ninth consecutive Maritime Intercollegiate Cross Country Championships last Sat. at Sackville. The Harriers defeated a highly rated Dalhousie squad 25-39 in the five team event to retain honours.

Two Dalhousie runners placed first and second while John McIsaac of the Harriers placed third in the scoring. Dal, after a fine start, failed to show depth that was supposed to carry them to the Canadian finals in Halifax Nov. 9. A

fine team performance by the UNB squad completely nullified the strong finishes for the first two Dalhousie runners, as the Red Harriers placed in all the five positions between third and seventh. All seven UNB runners placed well ahead of Dals fourth counter.

By virtue of the win the Red Harriers now advance to the Canadian finals next weekend. The team appears to be stronger than had been expected and is confident of a fine showing.

Coach Early was very reserved about the teams chances.

He said "We have a better crack at it this year. Our times are faster than last year and the opposition appear to be weaker. We have had a very good season."
