

So you want to send us some mail? Well, here's how you go about it. First, think of something intelligent to say and do it in 300 words or less. Second, type your letter or opinion piece, double spaced, and write your name and phone number on it. Third, drop it off at the Enquiry Desk of the Student Union building (or bring it by the office) before Friday.

LOOKS LIKE THIS.

SOUNDS LIKE THIS.

Small is not only big but smart. The magic of miniaturization has made many marvels manageable, among them Sony's invention of Digital Audio and the Compact Disc. Now, surprisingly, from the Advanced Audio innovators come Sony MHC Series Compact Audio Systems.

The advanced technology of these bookshelf systems permits big sound in compact
