An Evening Out with Roger Doris

It looks like Tuesday, November 26, will be a big night at the Ascot Inn's Little Brown Jug Lounge.

The entire Bonnie Scotland Show, starring Dennis

Clancy, Arthur Spink and Royal Command performer Jimmy Fletcher and supporting cast, will be making a guest appearance at the Ascot Inn on Tuesday evening only.

Ray Sonin will also be making a guest appearance, and the always popular Ken Stanley Trio will be on hand to provide the music for the evening.

This will probably be a once in a lifetime chance to catch this group in this area, so don't miss the opportunity.

Cynthia Gabriel is a Hotel and Restaurant Management student at Humber College, and comes from the island of St. Vincent in the West Indies.

The recent visit of Prime Minister Milton Cato of St. Vincent, turned into a happy and memorable event for Cynthia.

There are over 50 students from St. Vincent at Humber College, thus the Prime Minister decided to visit Humber while here in the city.

After addressing the students, the Prime Minister went for lunch, inviting just one of the students to join him.

That student was Cynthia Gabriel, who naturally considered it quite an honour.

Cynthia also works part-time at the Skyline Hotel on Dixon Road.
