"The Treatment House or Sweating Unit," "Homework or the Unit
of the Sweating System," "The Contract or Sweating System,"

are phrases which constantly recur in all writings and
discussions upon the subject; ~~these~~ ^{implicit} ~~identity~~ ^{in the}
~~branches of many~~ ^{branches of many} ~~of others~~ ^{of others} is more common often evidence
where it is ~~not~~ ^{not} definitely expressed.

No less is it true that it has been well ^{condition} ~~known~~
^{in the} general branches of the garment-making industries
that the agitation in regard to the Sweating System
has had most to do, and the whole history of
Sweating been most generally associated. ~~That~~
^{on a critical & comparative analysis} ~~whether~~ ^{whether} in view of the ~~identity~~ ^{identity} nature of the conditions
which the term has been intended to designate
this identity in usage, or limitation in application
is justified, it is a purpose of this ~~draft~~
~~to disclose~~ ^{matter deserving} ~~from careful~~ ^{consideration} ~~thought~~.
