520 Bay Street, Toronto,
July 25, 1936.

My dear Senator:

I am overwhelmed by the kindness of your letter of July 20th. Please, though, cancel the reservations at the Hotel. I will never need them and it will be tying up the rooms for someone else. Besides, I cannot put myself under further obligation to you by being your guest while at the Hotel. Am simply delighted to be with you at Chester.

Yours sincerely,

Hon. Senator W. H. Dennis,
