Right Honourable Arthur Meighen, K.C., P.C.
Vice-President and General Counsel,
Canadian General Securities Limited,
National Building,
Toronto, Canada.

My dear Mr. Meighen:

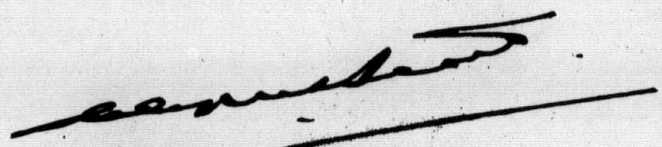

Is it your intention to be in Ottawa any time in the near future?

I have a Departmental matter which comes "pretty close to home" which I am most anxious to discuss with you. It need not be prior to the closing of the House, but it is essential that the Minister of National Defence be in Ottawa, preferably the day of our discussion.

Would you please let me know when you plan to be here and if it is not in the immediate future, with your permission, I shall send you copies of certain correspondence concerning the matter on which I wish your advice.

Very kindest regards,

Yours sincerely,

(Clyde R. Scott)
