

state in your affidavit  
that at the time of making  
the payment you thought  
it was an overcharge it would  
therefore appear to have been an  
act of culpable negligence  
on your part not to ascertain  
the correct amount due

In view of the above facts  
and of the further one that it  
never received the money in  
question from M<sup>r</sup> Savag  
the Department cannot see its  
way to pay the money claimed  
by you to have been overpaid  
on the above Lot

I am, Sir,

Your obedient servant  
Hauko Jones

The Deputy of the Sup<sup>t</sup> Genl  
of Indian Affairs
