

As Paul said "you see how long a letter  
I have written you" I guess I must get  
off to bed for I seldom am up after  
ten without feeling the effects next  
day or we are always up by 6.30.  
I hope you will be in this direction  
some time soon and hope you will give  
me a call. We saw by one of the papers  
that you are to make a Western Tour  
It will be a change even if there is no  
smoke next. Henry had his weeks' holiday

just now I was usually  
give me enough on my birthday  
to do for the year, but this year  
we went easy on presents!  
I got "staircase steel braces"  
instead of the more useful  
you are evidently still busy  
entertaining celebrities! We saw  
that you had had Mr. Bradshaw  
out at Niagara I dare say  
the Prince will be next! It  
must be quite a strain trying  
to look after people's salads  
all there is for you to do. Still  
it is a great joy to be able to  
have these people visit you &  
to number them among your friends
