

C. APPLICATIONS RECOMMENDED FOR DEFERMENT:

IT WAS RESOLVED

THAT the Minister of Reconstruction be advised that the Board of Governors of the Canadian Broadcasting Corporation recommends that the following applications be deferred for the reasons indicated:

a) For Changes to Existing Stations:

<u>Station</u>	<u>Location</u>	<u>Request</u>
CFGP	Grande Prairie, Alta.	Transfer of shares in Northern Broadcasting Company Ltd. as follows:

42 shares from C.L. Berry estate and 10 shares from unnamed individuals to Western Radio Distributors Ltd. giving latter a total of 94 shares out of 250.

Reason: The Board requests that the Department of Transport obtain the distribution of the remaining 156 shares and information regarding Western Radio Distributors Ltd.

CKFI	Fort Frances, Ont.	Change name of licensee from "John M. Reid" to "Rainy Lake Broadcasting Co. Ltd."
------	--------------------	---

Reason: It appears from the documents submitted to the Board that the controlling interest in "Rainy Lake Broadcasting Co." is still for sale as the present licensee, John M. Reid, is retaining only 1000 common shares out of 5000 common shares and only 150 preferred shares out of 350 preferred shares.

"It is requested that the Department of Transport obtain detailed information regarding the disposition, real or proposed, of the remaining shares in the new company".

CFCH CKGB	North Bay, Ont. Timmins, Ont.	Transfer licences from "R.H. Thomson" to "Northern Broadcasting & Publishing Ltd."
--------------	----------------------------------	--

Reason: It is the opinion of the Board that wherever possible the operation of broadcasting stations should be kept separate from the operation of newspapers and not associated more closely as proposed by the applicant in this case. The Board requests that the names and locations of the newspapers be obtained, which Mr. Thomson proposes to include in the new company, and, if possible, the relative financial importance of the radio stations in the Organization.
