Mr. T. B. Fawcett,  
South Porcupine, Ontario.

Dear Sir,

We have received a letter from Mr. F. W. Russell of Austin Airways Limited, advising that he inspected Piper Aircraft CF-BRR for renewal of the Certificate of Airworthiness.

Will you kindly forward a copy of his log book entry, which should include the date of inspection, and also the Certificates of Registration and Airworthiness, in order that consideration may be given to extending them for a further period of time.

Pending the return of the Certificates to you, this letter authorizes the operation of CF-BRR as a commercial aircraft at a total maximum weight not to exceed 1220 lbs., this authority to be not valid after April 14, 1947.

Yours truly,

(S. Graham),  
Superintendent, Air Regulations.
