Empty weight of aircraft on wheels	717 lb.
For above float installation add	<u>147 lb.</u> (A-691-6)
Empty weight on floats	864 lb.
Pilot	170 lb.
Main tank fuel	72 lb.
Auxiliary tank fuel	<u>54 lb.</u>
	1160 lb.
Pay load (both tanks full)	140 lb.
Pay load (auxiliary empty)	194 lb.

SGD. J. F. Gibson
Chief Inspector,
Cub Aircraft Corp.

If your C. of A. when received back from the Department of Transport does not authorize marine operation the C. of A., C. of R., and Journey Log Book with this write-up attached should be sent to your District Inspector to be amended accordingly.
