

Watch Chains for Men

In 14-kt. Gold

OF THE few articles of jewellery allowed to men nothing is more acceptable than a watch chain. Strength and flexibility are characteristics of the selection we offer—they are beautifully finished—all styles are those prevailing at the moment.

Pocket-to-pocket chain B223509 is one of the most popular moderately priced suggestions.

For presentation, where a gift of unusual value is desired, B223511 or B223512.

Pocket-to-pocket chains are, of course, more generally worn at present, although some prefer the single or double length.
