SEALED TENDERS addressed to the undersigned, and endorsed "To be for Meaford Breakwater," will be received at the office until Monday, June 27, 1904, inclusively, for the construction of a breakwater at Meaford, County of Grey Ont., according to a plan and specification to be seen at the office of H. A. Grey, Esq., Engineer in charge of harbor works, Ontario, Confederation Life Building, Toronto, on application to the Postmaster at Meaford, Ont., and at the Department of Public Works, Ottawa. Tenders will not be considered unless made on the form supplied, and signed with the actual signatures of tenderers. An accepted cheque on a chartered bank, payable to the order of the Honorable the Minister of Public Works, for six thousand dollars (\$6,000), must accompany each tender. The cheque will be forfeited if the party tendering declines the contract, or fail to complete the work contracted for, and will be returned in case of non-acceptance of tender.

The Department does not bind itself to accept the lowest or any tender. By order,  
FRED GELINAS, Secretary.

Department of Public Works,

## A Great Club Offer.

A radical change from old methods and prices was announced by the Toronto News this week. The eyes of the newspaper world have been upon the News for the past few months, during which time several departures have been made which have given that paper a wide-spread reputation for enterprise and originality. This latest move is to place the News at the price of \$1.00 a year by mail. Only a deep-founded belief in the future success of the News could lead the publishers to make such a reduction in price. But just as the dollar magazine has taken hold of the people, so we venture to predict, the News will secure a vast and ever increasing circulation, based not only on the popular price at which it is sold, but mainly upon the intrinsic merits of the paper itself.

We have made arrangements which will enable us to club the News with THE DOMINION PRESBYTERIAN at \$1.80 a year in advance. Such a combination presents many unique features, our weekly giving you all the home and foreign Church news, and the big 12-page daily keeping you in touch with events all over the world. Send us your subscription to the News, or if you would like to see the paper first, write us and we will secure a sample copy.

THE CANADIAN NORTH-WEST

HOMESTEAD  
REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the North-west Territories, excepting 8 and 16, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

## ENTRY.

Entry may be made personally at the local land office for the District in which the land to be taken is situated, or if the homesteader desires he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the Local Agent for the district in which the land is situated, receive authority for some one to make entry for him. A fee of \$10 is charged for a homestead entry.

## HOMESTEAD DUTIES.

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the conditions connected herewith, under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) or any person who is eligible to make a homestead entry upon the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler has obtained a patent for his homestead, or a certificate for the issue of such patent, contained in the manner prescribed by this Act, and has obtained entry for a second homestead, the requirements of this Act as to residence may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land.

The term "vicinity" used above is meant to indicate the same township or an adjoining or cornering township.

A settler who avails himself of the provisions of Clauses (2) (3) or (4) must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for these purposes, and have besides 30 acres substantially fenced.

Every homesteader who fails to comply with the requirements of the homesteader law is liable to have his entry cancelled, and the land may be again thrown open for entry.

## APPLICATION FOR PATENT

Should be made at the end of the three years before the Local Agent, Sub-Agent or the Homestead Inspector. Before making application for patent the settler must give six months notice in writing to the Commissioner of Dominion Lands at Ottawa of his intention to do so.

## INFORMATION

Newly arrived immigrants will receive at the Immigration Office in Winnipeg, or any Dominion Lands Office in Manitoba, or the North-west Territories information as to the lands that are open for entry, and the officers in charge, free of expense, advice and assistance in securing lands to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa; the Commissioner of Immigration, Winnipeg, Manitoba; or to any of the Dominion Lands Agents in Manitoba or the North-west Territories.

JAMES A. SMART,

Deputy Minister of the Interior.

N.B.—In addition to Free Grant Lands to which the regulations above stated refer thousands of acres of most desirable land are available for lease or purchase from the Government, or from private corporations and private firms.
