

THE QUEBEC TRANSCRIPT.

D. BRANDETH requests a perusal of the following article:—

LIFE AND DEATH.

Every thing has two distinct principles to its future; one

THE PRINCIPLE OF LIFE
AND
THE OTHER
THE PRINCIPLE OF DEATH.

So long as the principle of Life predominates, *Health is enjoyed*. When the principle of Death, *Sickness takes place*. How is this accounted for? By the principle of Death, I mean the principle of decomposition or decay, which is each hour going on in the human frame from the hour of birth, to that of our final exit. While the natural outlets—the pores—the bowels—and all other directories of the body, discharge these decayed particles as fast as they are generated, we are in a state of health; we are free from the presence of the disease.

When, from breathing an impure atmosphere, living in a vicinity of swamps, or when we are in the constant habit of coming in contact with bad smells—effluvia arising from obnoxious accumulations of animal or vegetable bodies in a state of putridity, being infected from a living body under the influence of disease in a malignant state; or sedentary occupations! or, in short, any cause which promotes decomposition faster than the stomach and bowels and the other excretories can remove, naturally, we are then in a state of disease. And should the cause which produces this state of the body remain, and nothing be done to drive the accumulated and accumulating impurities out of the body, the principle of death or decomposition, will become paramount, and the last glimmering of life depart from the once animated clay.

Ho, then, shall we counteract these *death dispending influences*? How?

PURGE!—Yes—*say Purge!* The magic in that word shall yet be understood, if this hand or brain can accomplish so mighty an explanation. Yes, purged be that pain in the head, the back, the bowels, the foot, the stomach, the side, the throat. Does it arise from internal or external cause,—I still say *purge!*—For know this self-evident truth, that pain cannot exist, save by the presence of some impurity—some deposit of decomposed particles upon the organ or part where the pain is seated. And purging discharges this impurity by the bowels and continuing the practice daily will cure every complication of disease; and will prevent any one from becoming seriously indisposed; even when in constant contact with the most malignant fevers which cannot be possibly seriously affect the body, if we are continually careful to preserve it in a pure state, by frequent and effectual purgation. *Hippocrates* says, "Purgation expels what must be expelled, and patients find relief; if on the contrary, they are tormented by purgation, it is a proof there are yet matters which must be expelled."

The subscriber of this has resided in every variety of climate, and by always purging on the first appearance of sickness, has enjoyed for the last ten years, uninterrupted health. For we may call such the state of him who is never sick more than 6 or 8 hours, about the time it takes to secure the effect of a purgative. The purgative I make use of is my grandfather's pills, and they are, to my certain knowledge, the most judiciously balanced purge in existence. I have used them for 8 months daily, in doses of from 16 pills per day, to satisfy myself as to their innocuity. It therefore cannot be doubted. It is my opinion, that any person, be he ever so prostrated by disease, provided he is capable of taking exercise at all, may lengthen his life to 80 years, by continuing to assist the natural functions with the **BRANDETH VEGETABLE PILLS**. Death never can take upon itself the principle of decomposition puts out the lamp of life. And that would seldom be before 60 or 70 years was this principle of purgation always resorted to on the first appearance of sickness.

In the hope that these remarks may be of some service, I am the public's obedient servant.

D. BRANDETH, M. D.
Great caution is required to procure the genuine Brandeth Pills.

Druggists and Chemists are never in any place appointed Agents by Dr. B. All his authorised Agents have an engraved certificate of agency, signed by himself; unless this certificate can be shown, do not purchase. This caution is absolutely necessary to guard the public against spurious pills.
