

LOUDEN STEEL STALLS AND STANCHIONS

—are neat, strong and sanitary. Heavy high carbon steel tube, and malleable fittings used in constructing Louden Equipment. No sharp corners on Louden stalls, stanchions or mangers to injure or make the cows uncomfortable.

LOUDEN STANCHIONS

—are fitted top and bottom with single chain, which gives the cow freedom to lie down and rise as she would in the pasture. High built-up curb can be used only with Louden stanchions.

LOUDEN Roller Bearing Litter Carriers

—make quick, easy work of stable cleaning. No bother with brakes or ratchets. Loads easily elevated; a light pull on hand chain does it. Box loaded or empty will stand at any height. Roller bearing track wheels give ease and steadiness of motion on the track. Heavy galvanized steel box carries a big load.

Book of Barn Plans Free

Louden "Barn Plans" is not a catalogue of barn equipment. It is a complete and valuable book of reference and instruction on barn construction. The 112 pages of Louden Barn Plans is full of dollar saving information—the best of ideas gathered by the Louden Company during many years of barn building, and barn equipment experience. 51 representative designs for cow barns, horse barns, general purpose barns and hog houses. In addition, there are 32 pages devoted to general construction problems, such as concrete work, laying floors, roof construction, ventilation, etc.

Louden equipment makes possible a clean, sanitary barn with a minimum of expense for upkeep. When cows are transferred from dark, dirty barns to Louden barns, the milk flow often increases from 15 to 25 per cent, and the labour of caring for the herd is reduced from one-third to one-half.

The cost of installing Louden equipment is surprisingly small, and is just as great an economy for the man with a half dozen animals as for a man with a hundred. The percentage of labour saved is the same.

- The Louden Line includes:
- Litter Carriers,
 - Hay Carriers,
 - Feed Carriers,
 - Cow Stalls,
 - Horse Stalls,
 - Cow Pens,
 - Bull Pens,
 - Hog Pens,
 - Barn Door Hangers.
