

WILL SILO FILLING TIME FIND YOU READY?

SILO FILLING time will soon be here—and the Canadian Farmer is depending upon the corn crop this year as never before. It is your duty, and it will mean more money in your pocket, to use every effort, to get ALL the FEEDING VALUE out of every stalk of corn.

The most important thing is to silo your corn crop when it possesses the **GREATEST FOOD VALUE**. If you get a Gilson Silo Filler **NOW**—before we are sold out—you will fill your own silo. This means that you will silo your own corn when it is just right for silage. Be independent of the cutter gang. You do not need big power to operate the "Gilson." Your own farm engine—4 h.p. or larger—will do the work.

WRITE FOR FREE SILO FILLER BOOK TO-DAY.
It tells the Gilson Story from start to finish—points out the advantages of design, and describes the all-metal construction in such a way that you will understand WHY our machines cut and elevate more silage with less power than ANY OTHER Blower Cutter. This is a matter of dollars and cents to you. A Gilson Silo Filler will, in all probability, pay for itself the first season. **BEWARE OF IMITATIONS AND INFRINGEMENTS.**

GILSON MFG. CO., Limited

389 York St., GUELPH, Ont.

You need this **SILO FILLER**

It is as much a part of your Farm Equipment as your Binder or Plow.

"My Silo is 40' high, writes **FRANK BOLTON, Guelph, Ont.**, but my 8 h.p. engine which I purchased from you nine years ago operates my 13' ensilage cutter splendidly, sending corn over the top in a steady stream. This outfit is the admiration of all who see it.

JOHN H. MURRAY, Sea View Farm, Cap La Ronde, C.B., N.S., writes: "Enclosed find picture of my 10' Gilson Silo Filler, 8 h.p. Gilson Engine and 37' Gilson Hylo Silo. I filled my silo with oats, peas and vetch, and it is coming out fine and not a bit spoiled. My outfit does splendid work and I am very well pleased with it."

FRED HURTER's farm at Kitchener, Ont., showing his 8 h.p. Gilson Engine and 13' Gilson ensilage cutter filling his 30' Gilson Hylo Silo.

JACOB N. HART, Ridgville, Ont., writes: "The enclosed picture shows our 13' Silo Filler and 12 h.p. Gilson Engine hard at work filling our silo. This outfit works beautifully and is as much a part of every farm as a binder or mower."

M. I. ADOLPH, of Gowansboro, Ont., declares that his silo filling outfit "is a source of real satisfaction and profit. I would not want to be without my 10' Gilson Silo Filler, 8 h.p. Gilson Engine and 12x30' Gilson Hylo Silo. I have used it for three seasons, and have had practically no trouble, —it was always ready when wanted."

The HYLO SILO

THE everlasting silo—yields 100% profit on the investment every season—sweet, fresh ensilage down to the last forkful.

Exclusive patented features of great value—specially selected, imported material of the highest quality, and careful workmanship, explain why the Hylo is the choice of the most progressive and prosperous farmers in each community.

This Engine Will Cost You Nothing

You need an engine—get a Gilson on our new, easy-payment plan, and it will pay for itself. You have the work for it to do this Fall and Winter, help is scarce and high-priced—save yourself a lot of worry and enjoy that "feeling of security," which is such a definite part of the staunch, reliable Gilson Engine. Gilson Engines have long enjoyed an indisputable reputation for dependability, power, simplicity and economy. This year finds us with an even more attractive proposition for the discriminating buyer. Prices of everything you have been buying have been soaring, but, by careful management, we are able to furnish Gilson Engines at remarkably low prices. Write to-day for catalogue, price and easy-payment plan, stating what size you are interested in.
