A Spring Hat-slide
at Dineen's

In three days we have received and unpacked more cases of new hats for our spring trade than the average hat store handles the year round—and more are still to come. All available space on the first floor is taken up with the display of the elegant new arrivals, and it has been necessary to open an overflow hat exhibit in the men's fur showrooms in our luxurious, luxfer-prism-lit basement.

Plaster and Paper

May look well at first, but they can't LAST. That's why

Our - - - Embossed Metal Plates

For Ceilings and Walls 150 Designs to choose from.

Are taking their place in all classes of buildings. The prices are moderate, and this metal finish is artistically beautiful, fire proof, easily cleaned and permanent. It can be applied over plaster if necessary.

Think it over—decide on having the best at first, and send to us for full information.
