## WOLFVILLE WINS TENNIS LEAGUE

### Defeats Kentville in Final Tournament of Series.

Wolfville won the final tennis tournament of the Eastern Section of the Valley League here last Saturday afternoon by capturing five events of the eight played with Kentville. This victory gives Wolfville a clean sweep of the league this year and entitles them to meet the winners of the western series.

There were several close matches of which the most interesting was the mixed doubles won by Dr. deWitt and Mrs. Bishop, of Wolfville, from Mr. Morton and Mrs. Walker, of Kentville, who were clearly outplayed by Mr. Beardsley and Miss Holmes, Dr. Leslie Eaton and his partner, Miss Phinney, overcame a handicap of the loss of a set and triumphed by winning the last two. Mr. Prince won easily from Mr. Whitman in the men's singles although the game score does not indicate the closeness of the games themselves. Miss McLean tied in the third set of the ladies singles and was beaten by Miss E. Wickwire. The ladies doubles resulted in Kentville winning handsily, Miss B. Wickwire and Miss Moore scoring over Miss Beardsley and Miss Johnson.

Tea was served by the tennis club hostesses. **Men's Singles** Mr. Prince, Kentville, defeated Mr. Whitman, Wolfville, 6-0, 6-1. **Ladies' Singles** Miss E. Wickwire, Kentville, defeated Miss McLean, Wolfville, 6-0, 3-6, 6-0. **Men's Doubles** Prof. Ross and Mr. Boggs, Wolfville, defeated I. Wickwire and W. Wickwire, Kentville, 10-8, 6-3. **Ladies' Doubles** Miss B. Wickwire and Miss Moore, Kentville, won from Miss Beardsley and Miss Johnson, Wolfville, 6-2, 6-2.

**Men's Doubles** Mr. Chute and his sister, Mr. MacGill, played steady tennis to win their match from Mr. and Miss McMinn, Miss Hill and Mr. Neary, of Kentville, who were clearly outplayed by Mr. Beardsley and Miss Holmes, Dr. Leslie Eaton and his partner, Miss Phinney, overcame a handicap of the loss of a set and triumphed by winning the last two. Mr. Prince won easily from Mr. Whitman in the men's singles although the game score does not indicate the closeness of the games themselves. Miss McLean tied in the third set of the ladies singles and was beaten by Miss E. Wickwire. The ladies doubles resulted in Kentville winning handsily, Miss B. Wickwire and Miss Moore scoring over Miss Beardsley and Miss Johnson.

## BAPTIST YOUNG PEOPLE

### Hold Interesting Conference Here—Future Meetings to be Held Alternately in Nova Scotia and New Brunswick

The first annual conference of the Baptist Young People's Union of the Maritime Provinces, which convened in the Wolfville Baptist church on Friday last, came to a close on Sunday evening, when a splendid address was given by Rev. H. T. DeWolfe, D.D. On Friday evening the conference assembled, and after a devotional service led by Rev. Dr. Marshall, organized with Mr. G. C. Nowlan, of Wolfville, as president, and Miss E. Caldwell, of Summerville, Hants county, as secretary.

Rev. Waldo C. Machum, in an address on Baptist principles, announced the purpose of the conference, the slogan of which was "For Christ and the Church". After setting forth the characteristic principles of the denomination, he stated that the purpose of the convention was to develop a denominational consciousness in the minds of the young people to make them acquainted with the work and scope of the various denominational agencies; and through reports and contact with their societies, to gain inspiration for their own work. Seventy four delegates were registered, and the conference was marked by a deep interest in the active work of the church, and by a general atmosphere of devotion.

On Saturday, the three devotional services were led by Rev. C. B. Lumsden, Hampton, N. B., who spoke on "The Standards of Jesus", "The Mind of Christ", and "Jesus, The Christ". In the morning, after the report on the young people's work for the Maritime Provinces, Dr. Patterson gave an address on education, on which he set forth the value of a college course to the individual capable of profiting by it. He showed how it multiplies the world in which one lives. It discloses the principle of unity and continuity of all life; contributes to the advancement of self; and gives enlarged opportunities for service. This was followed by a conference in methods, led by Rev. Waldo Machum, which was carried through to the afternoon session.

At 3.15, the meeting adjourned, and the delegates went on a sight-seeing trip through the beautiful and historic sites of Wolfville and vicinity. This was followed by a conference in methods, led by Rev. Waldo Machum, which was carried through to the afternoon session. In the afternoon Rev. Mr. Warren, pastor of Brunswick street church, Fredricton, gave a life service address from the text, "My Father, Worketh Even Until Now, and I Work". He illustrated the continuous and manifold activity of God in the physical and spiritual world, and appealed to the young people to co-operate with God in the great task of bringing in His kingdom. After the close of the afternoon session, the advisory committee recommended that the conference become a yearly institution, meeting alternately in N. B. and N. S.

In the evening, Dr. DeWolfe brought the conference to a fitting close in a masterly address on "The Challenge of Jesus to Young People". He spoke of the challenge of His purpose, the challenge of His consecration, and the challenge of His self sacrifice, using these three aspects as a basis for the appeal of Christ for lives wholly consecrated to His service.

## BAND CONCERTS MUCH ENJOYED

A large number turned out to hear the concert by the Wolfville Band last Thursday evening, and Main street band gave one of the best performances we have heard. The band was up to the fact until the latter part of the program, when loud applause greeted each number. The band has made considerable progress this summer under the direction of Mr. R. A. Murray, and the concerts given have been much enjoyed. If there were less noise on the street while the band is playing it would be easier for those to hear who wish to hear. Another fine program will be given tonight.

On Sunday the Band gave two sacred concerts at Evangeline Beach, one in the afternoon and the other in the evening. Large crowds gathered to hear them and the Beach was a busy place. Why not a band concert some Sunday afternoon at Willow Park?

## AT THE ORPHEUM NEXT WEDNESDAY AND THURSDAY

Not a dull moment in Mae Marsh's new photoplay "Paddy the Next Best Thing" which she made in England and Ireland and which comes to the Orpheum theatre next Wednesday and Thursday as the feature attraction. There is romance and there is adventure; there is action aplenty that is swift and daring; there are comedy scenes that make you chuckle and others that bring ringing laughter. There is pathos that brings clean tears, which quickly are dashed away by lightly amusing entertainment. And with all this Mae Marsh presents a portrayal of Paddy Adair that has been classed as her greatest characterization; as being the highest attainment of her artistry.

## CLOSE CRICKET CONTESTS

### Wolfville Loses to Windsor and Kentville in Keenly Contested Matches

The Windsor Junior Cricket Team won the odd game of a three game series with the Wolfville Juniors on the former's grounds last Thursday afternoon by a margin of 10 runs and one wicket, the score being 31-41. Wolfville went to bat first, with Copeland and Regan at the bat, and collected ten runs before Quillen clean bowled Regan. Copeland made quite a stand until the same bowler sent in a wide break which fooled him and took the middle stump. The next four batters went down with only four runs between them. Then Spencer came in and stood up for six runs, Munro, Cohen, Rand and Dixon failing to score.

C. R. and G. P. McElhiney formed the first Windsor pair to face the bowling of Copeland and Grant, but G. P. was nicely held by Regan in long field without a score. C. R. was not retired until his team had collected 34 runs, 25 of which were from his own bat. For Wolfville, Grant got 7 wickets and Copeland 2. The teams and scores: Wolfville—Copeland, 12; Regan, 5; Williams, 0; C. Munro, 2; Grant, 0; McKenna, 2; Spencer, 6; G. Munro, 0; Cohen, 0; Rand, not out; Dixon, 0. Extras, 4.

Windsor—C. R. McElhiney, 26; G. P. McElhiney, 0; S. Reynolds, 5; C. Kuhn, 6; J. McDonald, 0; F. McDonald, 0; A. Quillen, 0; J. Smith, 2; L. Staling, 0; J. Baird, not out; B. Kilcup did not bat. Extras, 3. For Windsor, Quillen got 5 wickets, and McElhiney, 5. For Wolfville, Grant got 7 wickets and Copeland 2. Umpires—Dixon, Wolfville; King, Windsor.

On Saturday afternoon the Wolfville Cricket Team played a match with the Kentville Club, the result being a win for the latter, the score being 65 to 33, with one wicket to spare. A. F. Doll, of the Kentville team, scored 42 runs. He was the third man to go to bat, and despite the trials of the Wolfville bowlers he was the last man to be caught out after having scored more than two-thirds of his team's runs.

Mr. Doll's work at bat was the feature of the afternoon, but the splendid fielding of Munro and Grant's bowling for Wolfville were the secondary high lights of this closely contested game. D'Almaine was the only batter for Wolfville to reach two figures in his total of runs. But eight others scored in getting at least one run, while for Kentville only two players besides Doll, had any success with the bat. Mr. Dixon and Mr. Walker umpired to the satisfaction of both teams.

As the annual picnic at the Experimental Farm is to be held Sept. 5, our regular Institute day, it was decided that we hold our meeting the second Friday in September, in the form of a picnic at Miss Stuart's cottage on the beach.

The opening poem was read by Mrs. L. E. Trenholm. The prize essay on Patriotism, written by Eva MacLachy, was read by Mrs. Dennison. Miss Stuart gave a very interesting report of the New Brunswick convention, which she attended this year. Delicious ice-cream and cake were served by the hostess.

## Too Good to Cut

Recently a birthday cake was ordered on behalf of a revered old lady of ninety years. She kept the last one intact because it looked "too good to cut". A cake was also ordered this month for a centenarian residing in the Province. The number of

instances of this kind seems to show that Nova Scotians are a hardy lot. Since today seemed to be devoted to the old, it may be of interest to say that a member of Moir's organization called on a nonagenarian lately and that this represented the first time he had seen a motor car close at hand. He was offered—but refused firmly—a trip in the car.

## Water Notice

The demands made on our water supply on account of the continued dry weather has begun to affect the town reservoirs. To avoid the possibility of a shortage of water all citizens are requested to conserve water as much as possible during the next few weeks, especially in the use of water for lawns and gardens. Co-operation by all in this matter will be appreciated, and will not necessitate the Council taking further measures to prevent waste.
