[Associated Press by Leased Wire.] London, June 30.—Rioting has occurred in Belfast, according to the Daily Sketch. Thirteen grocery stores were attacked by the rioters. The exact time of the disturbance was not given by the newspaper.

### REFUSED TO CARRY SOLDIERS ON TRAIN

Dublin, June 30.—New British Consul, Killalea, is the great anti-Consul serving Curragh, the Aldershot of Ireland. Yesterday for the first time it was sought to despatch soldiers home by a train passing from Killalea to Dublin. The drivers refused to carry them and the soldiers remained on the train, blocking up the line. Subsequently trains from Athlone and Thurles for Dublin were similarly boarded by soldiers and blocked. The stranded passengers drove to Athlone to catch through trains, not stopping at New Bridge. The soldiers have orders to board any train available. At Frankfurt there were additional disorders, and the windows of the cafes were broken. The police dispersed the rioters by firing in the air. Five persons were killed in the recent riots at Hamburg, according to an official report. During disturbances at Wurzburg yesterday the troops fired, wounding several persons.

Sherman, who was acting as a temporary officer to guard King, against whom there was high feeling, says he shot in self-defense.

### MANY WOUNDED IN CLASH OF STRIKERS

Rome, June 30.—A general strike was proclaimed Monday night, effective yesterday except in the case of the railways. The tram service was suspended and many of the factories and workshops were closed. This, however, was largely due to the celebration of the Feast of St. Peter. A despatch from Terni, in the province of Perugia, says a clash with the workers there after a meeting of labor unionists resulted in several persons being severely wounded.

### GROUP SYSTEM FOR MANITOBA

### The Norris Government Will Not Have a Majority of Candidates Returned

[Canadian Press by Leased Wire.] Winnipeg, Man., June 30.—Electors of Manitoba seemingly have adopted the group system of government. Yesterday they defeated the Norris government in the same sense that voters candidates could not today command a majority over all other groups in the legislature, but the followers of the Premier will number twenty or a little more and will constitute the largest single group in the House. Labor will have a group of ten or twelve members, and predictions are heard today that J. Dixon, who received a tremendous vote in Winnipeg, will be the leader of the provincial labor party, this being based on the fact that he has the largest vote of the legislative and on his outstanding achievement at the polls yesterday. Winnipeg's ten members for the most part still are unknown. It is considered that Premier and Hon. T. H. Johnson, Attorney General, are elected, since they lead the other 39 candidates by a big margin, even though they lead by only a few thousand. It is claimed that the remaining eight seats will go about three to labor, perhaps three to the government, and two to conservatives. Mrs. Arthur Rogers, government candidate, is among the leaders and the final count under proportional representation might send her to the legislature. At least half of the Winnipeg candidates are believed to have lost their deposits. Allowing one seat to the government and one to labor in Winnipeg, the standing at eight o'clock this morning is approximately as follows: Government—13. Conservatives—6. Farmers—8. Labor—5. Independents—5. Defeated—2. Total—47. With eight other Winnipeg seats, this makes up the legislature of 55 members.

Following are the terms on which Sir Adam Beck recommends the taking over of the railways in question: Toronto and Eastern Railway—Price \$700,000, payable by Hydro Power Commission 4 1/2 per cent, fifty year bonds, guaranteed by the province of Ontario. Toronto Suburban Railway—On this railway there are \$2,625,000 of outstanding 4 1/2 per cent bonds due 1921. This is to be taken over by the Hydro Power Commission, and the Hydro Power Commission to assume the bonds. The Niagara, St. Catharines & Toronto Railway—Price for this railway to be \$3,544,374.10. On this road there are \$1,098,000 five per cent bonds due 1929. The Hydro Power Commission will assume these bonds and give Hydro Power Commission bonds guaranteed by the province of Ontario 4 1/2 per cent, fifty year bonds for the difference between \$1,098,000 and \$3,544,374.10.

[Canadian Press by Leased Wire.] Ottawa, June 30.—The hundredth divorce bill of the present session of parliament was formally put through by the private bills committee yesterday. It was also the final plea for dissolution to come before the committee and former adjournment for the session was used. Before the close Dr. Michael Steele, chairman, remarked that next year the committee would be more strict in regard to the two hundred dollar fine which is imposed when petitions are not placed before the House within the prescribed six weeks from the opening of the session. The total number of applications this year was 123 and the majority of these, it is stated, came from Toronto. Returned soldiers were effected in almost fifty per cent of the applications.

### DISCUSSES DOUGLAS AND MARY

Buffalo, N. Y., June 30.—The thirteenth northern Baptist convention closed yesterday with the election of officers and adoption of resolutions covering a wide range of subjects. By a vote of 690 to 422 the delegates refused to censure the Rev. J. W. Bromberg, of Los Angeles, for marrying Donald Fairbanks and Mary Pickford, by dropping him as a member of the executive committee, but adopted a resolution urging more strictness in the selection of ministers. The resolution also urged that ministers should be held rigidly to the social standards regarding divorce which the denomination held at the time that would weaken the influence of minister and church in regard to this matter to all the church seeks to promote.

### A DARK HORSE MAY GET THE PREFERENCE

### McAdoo Supporters Estimate That He Will Receive 300 Votes on First Ballot

[Associated Press by Leased Wire.] San Francisco, Calif., June 30.—Stripped for action, the Democratic national convention today swung into the business of selecting a presidential nominee. With all nominating addresses restricted to twenty minutes and speaking speeches to five and limited to a candidate, each of the possibilities had to make, then, thirty-five minutes for full description of his merits and capacity for the highest office in the United States. Speeches were on the programme nominating Wm. G. McAdoo, Attorney General Palmer, Governor Cox of Ohio, Chairman Homer S. Cummings of the Democratic national committee, Governor Edwards of New Jersey, Senator Hitchcock of Nebraska, Jas. W. Gerard, former ambassador to Germany, Senator Owen of Oklahoma, John W. Davis, United States ambassador to Great Britain.

### McADOO A CANDIDATE

At the eleventh hour friends of Wm. G. McAdoo abandoned efforts to prevent his being placed in formal nomination. Dr. Burris Jenkins, of Kansas City, will deliver the nominating speech.

### THE PALMER FORCES

Palmer headquarters, in a formal statement that the Attorney General's position was stronger than it ever has been before, announced that his forces were intact and claimed votes in the convention which would not be shown on the first ballot because they would be cast for favorite sons and come to the Palmer column later.

### COX FORCES, PROBABLY UNDISTURBED BY THE WEST AND ARGUMENT WHICH HAS RANGED AROUND HIS CANDIDATES AND THE OUTSIDE HUES WHICH HAVE BEEN INJECTED INTO HIS CAMPAIGN, WERE TIGHTENING UP THEIR LINES AND WERE READY TO START THE BATTLES.

### DESPITE THE PROMISE THAT THE CONVENTION WOULD HAVE A BIG THREE AT THE OUTSET, DARK HORSE TALK WAS NEVER MORE PERSISTENT THAN IT IS AT THE MOMENT. THE CANDIDATES ARE ABOUT TO BE PLACED IN NOMINATION.

### THE NAMES OF VICE-PRESIDENT MARSHALL, JOHN W. DAVIS AND HOMER S. CUMMINGS, CHAIRMAN OF THE DEMOCRATIC NATIONAL COMMITTEE, WERE ALWAYS HEARD WHEN DARK HORSES WERE BEING DISCUSSED, AND DELEGATES WERE TAKING INTO CONSIDERATION THAT EACH OF THE BIG THREE COULD PREVENT THE OTHERS FROM GETTING A TWO-THIRD VOTE.

# The Murdock Allegations Not Against Government

[Canadian Press by Leased Wire.] OTTAWA, June 30.—That there was nothing in the Murdock allegations against the Government of sufficiently tangible form for the basis of an investigation was the Government's reply to demands of Liberal members for an investigation into the Murdock charges.

The long-heralded debate on the Murdock charges lasted from 11 o'clock last night until 2.30 this morning. Hon. Arthur Meighen said he saw no reason for referring to the charges as "a scandal." The only reason the Government had for not publishing the Robson letters was Judge Robson's personal protest against publication. That did not reflect on the Government. The Government would welcome an investigation based on facts instead of on "diminutive fictions."

A suggestion to proceed with estimates was objected to on account of the lateness of the hour, and a suggestion that the House meet at 11 o'clock this morning met with objections also. This latter course had been suggested to permit of business of the session being finished today. The House adjourned at 2.30 a. m. until 2 o'clock this afternoon.
