NOTHING BETTER. Miss Emily Craig, Almonte, Ont., says: "I have never found anything better than your Fowler's Extract of Wild Strawberry for pain in the stomach or diarrhoea. LOCAL AND OTHER ITEMS.

THE Dakota papers report that David Laird, son of Alexander Laird, of Cavendish, was frozen to death within 150 yards of his cabin at Little False Bottom, Dakota, during the winter. Mr. Laird disappeared about the end of January, and although diligent search was made for him not a trace could be found until Saturday, April 24th, just three months after he was missing, when his lifeless body was found in the remains of a snow-bank. He had evidently perished on his way from Carleton place, where he was interested in a valuable mining property. The deceased is highly spoken of by all who knew him.

EARLY on Friday morning last a burglar or burglars entered the grocery store of Sanderson & Co., on Victoria Row, in this city, and removed some fruit, confectionery, and about a dollar in change. The entrance was effected by a rear cellar hatch. Mr. John Newman's cellar adjoining was next visited, and thence the entrance was made into his furniture store. From Newman's shop a new Imperial bicycle, valued at \$100, was taken, together with a number of fittings. On Sunday afternoon, Mr. W. K. McKay, Town Clerk of Summerside, was driving along the road from Kensington to Summerside, when he met a suspicious looking character riding a wheel. Mr. McKay had been made acquainted with the burglar in Charlottetown, so he stopped the rider and examined the number of the wheel. He found it was the same wheel, but while he was engaged in the investigation the rider escaped. The rider proved to be a young man named Gallant, who had recently been released from Dorchester Penitentiary. After escaping from McKay, Gallant seems to have become very bold and reckless; for the same night he broke into the railway station at Misouche. He was seen entering the station and a posse assembled; so that when he attempted to leave the building he was captured and taken to the house of the station master. The Summerside police were then notified and he was lodged in Summerside jail. On Monday evening he was brought to this city, and is now secure in the clutches of the law.

LA GRIPPE SCOURGE. Who has not been a Victim? Who has not had Just the Experience of Mr. Curtis?—Who may not have the Relief South American Nerve Afforded Him?

"As a result of a severe attack of la grippe I suffered greatly from weakness and loss of appetite. I saw testimonials of the curative powers of South American Nerve and determined to give it a trial for my case. Purchased it and almost immediately began to improve. My strength returned to me very rapidly. When I had taken three bottles I had developed a voracious appetite. I am now as well as ever I was, and am safe in saying that I can attribute it to South American Nerve, and to no words of mine in recommending it could be too strong." C. J. Curtis, Windsor, Ont. Witnessed by F. H. Lang, Druggist. Sold by G. B. R. BUCHHEIS.

The Company is one of the most substantial in Canada. Its affairs are controlled by a Board of Directors composed of some of the foremost men in the Dominion.

Valuable Mines are Owned by the Company in all principal mining districts in the West, and include—
