### The By-Election.

The by-election for the Expenditure, 1891 Legislature held in the first Expenditure, 1892 district of Queen's County, Expenditure, 1893 on Wednesday last, resulted Expenditure, 1894 in the return of Mr. Crosby, Expenditure, 1895 the Government candidate by Expenditure, 1897 a majority of 69. The win Expenditure, 1898 ning of this election does not Expenditure, 1899 strengthen the Government Expenditure, 1900 in the Legislature; as the Expenditure, 1901 seat had been won by the Expenditure, 1902 late Mr. Smith at the general Expenditure, 1903 election. As a matter of fact, the Government did not hold Expenditure, 1906 their own, as Mr. Crosby's Expenditure, 1907 majority is 12 less than that Expenditure, 1908 of Mr Smith, notwithstanding Interest paid 1889 that the vote polled was 84 in Interest paid 1890 excess of that cast at the Interest paid 1891 general election.

The Patriot rejoices, in as Interest paid 1893 much as "Crosby is in and Interest paid 1894 the country is safe." The Patriot also says that by electing Crosby, the people of the Interest paid 1898 first district "endorsed the Interest paid 1899 acts of the Liberal adminis Interest paid 1900 tration." Let us analyze Interest paid 1901 these statements and consider Interest paid 1902 their import. The only way Interest paid 1908 toassure ourselves of this is to Deficit examine the record of the Deficit Government Crosby was Deficit elected to support. What is Deficit that record?
