while at the same time dobarted from elect. While at the same time dobarted from elect the same time dobarted from elect. The same time dobarted from elect cupola of stained glass, much, more hand some than the "inverted" article which " caps the climax" of the Montreal Bank, and is formed in such a manner as to be while at the same time debarred from electing their own local officers. There seems to us an absurdity in the very face of it.easily converted into an observatory, which Mr. Willson at one time had some thought Any person who is capable of exclosing the franchise, is at least as capable of electing a Coroner or Clerk of the Peace as as he is to elect a fit and proper person a constant of the person of the Mr. Willson at one time had some thought of creeting, and which intention we trust, for the benefit of the scientific, Mr. Willson may yet see fit to carry into iffect.

The house contains about fifty rooms, many of them being so con-tructed as to accomodate families. The dining hall is for a Applement of the agross anomaly. It is becoming unseemingly both to the people and the press, and we are sure that this barrier will be removed. The ogeration of top to bottom, every room is handsomely furnished. The outbuildings have been erected on the same scale of convenience, and the stables will always be able to furnish "good accommodation" as well as excellent livery the Municipal Act demonstrates that the

extension of a system, of which it was the prelude, will ontail a great amount of real good, and give general satisfaction. For one man to assume to know who is compe-tent, and recommend them to the attention

Mr. Wilson is well known to the inhabiof the Government, is assuming a right which should never have been his. Besides it places him in an awkward position, both between himself and his constituents, and tants of the district, and anything we can say will add but little to the esteem in between himself and his constituents, and himself and the government. The present which he is held by all classes, and we are glad to hear, that the first public acknow-ledgement of Mr. Wilson's zeal, connected evstem instead of giving popularity and with his new hotel, is to be accorded him under the auspicies of "St. Andrew" to morrow evening the 30th instant. We strength to government is sapping its foun

THE TOWN OF LONDON.

casion, will be numerous, so that the worthy We have been so highly delighted with proprietor may have the satisfaction of knowing, that his efforts are appreciated the appearance and business prospects of London, that we cannot refrain from making a few observations on what has rendered it attractive to use since our series here.— The first object that arrests the attention by his fellow citizens .- Brockville Recorder.

of strangers, on entering London by the Hamilton road, is the new building re-cently completed, and intended for a public school, in lieu of those established in each Ward. The building is of white brick, DUNDAS LITERARY SOCIETY .- The second meeting of this Society was held on Friday evening last, when the question "Should the existing property qualification as regards the franchise be abolished in Canada ?" was considered, and, after a most animited debate, decided by the audience in the affirmative. The next meeting of the with a cupola on the summit; and, from its prominent position, presents a handsome and imposing appearance. Next comes the beautiful structure, St. Paul's Church, the Society will take place this evening Lodge Room of the I. O. O. F., M. U., at hall-past seven o'clock. The question for discussion—" Would Annexation to the U. admired of all admirers, built in a style which reflects the highest credit on the ar-chitect, W. Thomas, Esq. of Toronto.--The grounds around it are being laid out discussion — "Would Annexation to the C. States promote the prosperity of Canada ?" —will be taken up neither for party purpo-ses nor in a party spirit, but with a simple view to elicit truth. Entrance to the Lodge with excellent tase. The Court House and Gaol form a conspicuous feature ; and along-side is the Mechanics' Institute, which, although not particularly attractive, is ne Room first door west of the Worder flice, King Street. Open to the public .vertheless a good substantial building, and decidedly the best place in town for public concerts and other rational entertainments; Warder.

About the end of last month a boy nam the spacious lawn in front adds much to its appearance. The new Market and Town Hell are to our view in a bad location; the position is perhaps the most centrical, but
