Mesers. RITCHIE, HILL,

To the Warden and Council of the United Counties of Huro Perth and Bruce—

The first document submitted for our consideration is the Treasurer's Report.

In that Report the Statement of the Debts includes those contracted in 1849. By reference to the By-Laws, made for the Liquidation of the Debts due by the late District, the tax imposed is only for the payment of debts due up to the 1st of January, 1849.—
They will therefore require to be paid first. We beg also to refer to the Act 12 Vict, chapter 81, empowering us to make the By-Law in question; for enabling the Treasurer to discharge the debts contracted in 1849 and 1850. We would recommend that he be sent to Toronto at the expense of the Counties, and endeavor to negotiate a Loan, there or elsewhere, of £2,000, with any of the Banks or other parties willing to do the same, upon the most favorable terms he can get; and also that the Warden do memorialize the Gevernor and Directors of the Canada Company on the same subject; at the same time calling their attention to the circum quidation of the Debts due by the late District, the tax imposed is only for the payment of debts due up to the late of January, 1849.—
