

**Temporary Heat-QUICKLY**

Did you ever stop to think of the many ways in which a Perfect Oil Heater is of value? If you want to sleep with your window open in winter you can get sufficient heat from an Oil Heater while you undress at night and then turn it off.

Apply a match in the morning, when you get out of bed, and you have heat while you dress. The man who has to walk the floor with a restless baby can get temporary heat with an Oil Heater.
