WE MAKE Loose Leaf Forms

and Loose Leaf Binders cheaper and better than the imported articles. We save you money, for in our Binding and Printing Plants we can make a Binder to fit every Form you use, and we can make a Form to fit every Binder you use. We will duplicate the paper, the ruling, the printing, the perforating and the punching, and we will do it at a price that will save you from 10 to 25 per cent. Don't take our word for it, ask us to submit samples and quote prices, and the evidence will be conclusive. Why import them when we can give you a complete Loose Leaf System, or any part of a Loose Leaf System, to suit any business, from the largest corporation to the smallest store. No delay and no dissatisfaction, you see what you're getting and you get it when you want it. We are already doing 75 per cent. of the Loose Leaf business of the country and we want your business, too. Phone 47, we are at your command. **DICKS & CO., Limited,** Loose Leaf Specialists and Office Appliances.
